Dear Amy:—

Would you believe that in my nicely furnished home I've been using the same old stove too long to tell. Well, now I've put a brand-new range in my kitchen. How happy I am over it. The kitchen looks like another place, and the cooking tastes better. The new style stoves, too, are so much more convenient to use than the old.

Yours as ever,

Lou

P. S.—Why don't you get you a range just like mine? So to
