

## CENTRAL OREGON NEIGHBORHOOD NEWS.

## WANTED

A good, live correspondent is wanted by The Bulletin at the following places: Prineville, Redmond, Sisters and Millican Valley, to send in news items and act as our agents. Liberal pay. Address: Bulletin, Bend, Oregon.

## REDMOND

REDMOND, Sept. 9.—Safecrackers at 3 o'clock Friday morning broke the padlock on the front door of the A. G. Allingham saloon and burglarized the safe by cutting out the bottom with two and half-inch cold chisels. \$67.32 in money was secured. A number of checks in the safe were not taken. The yeggs drank a couple of bottles of champagne and beer. People living over the saloon in the Redmond Hotel annex and across the street in the Hotel Oregon, heard the noise in the saloon, but supposed it was some one of the employees splitting wood. There is no clue to the robbers. A truck from the Oregon Trunk depot was taken away from the station supposedly by the yeggs, and brought downtown, where it was found Friday morning.

John Powers is here from Illinois visiting his son, Prof. W. L. Powers, of the demonstration farm.

An apple weighing 14 ounces and measuring 13 1/2 inches in circumference was picked by D. C. Cole from a three-year old tree recently. It was of the Wolf River variety.

School opened here today for the winter term.

The Presbyterians have had electric lights installed in their church building here.

The Commercial Club is planning to build a road to the top of Forked Horn Butte where the reservoir for the city water system will be located.

## PRINGLE FLATS

PRINGLE FLATS, Sept. 1.—Mr. and Mrs. Held and Mrs. E. Birchhoff and daughter Annie visited Mr. and Mrs. H. Evans Sunday afternoon.

The ranchers down Bear Creek finished cutting their second crop of alfalfa last week.

Fires can be seen in many parts of Pringle Flats, clearing sagebrush for the fall breaking these days.

D. Reynolds will build a house on his claim this week with C. A. Baisley's assistance.

Mrs. H. Evans cut good, solid cabbage for her Sunday dinner Sept. 1.

A school meeting will be held at Pringle Flats Sept. 7 to decide upon the location for a new school house.

John Campbell is harvesting his spring sown rye.

Mrs. E. C. Faught and daughter Grace started for Prineville Sunday morning.

## TUMALO

TUMALO, Sept. 5.—J. W. Baker was out from Laidlaw yesterday and stated that F. E. Dayton would run Mr. Foster's small threshing machine on this side of the Deschutes, while Mr. Foster would run his large machine on the east side.

Chester Reams was down from the headgate Sunday and reported that there had been a heavy downpour of rain in the mountains and that the Tumalo creek was running high—something unusual for August. But it seems this has been an unusual summer all over the West as regards rainfall.

G. W. Wimer & Sons have about completed cutting and stacking a large crop of clover hay and will soon cut another crop of alfalfa. The potato crop will be immense in these parts this year.

An agent for a fruit tree nursery has been canvassing this community recently.

## SISTERS

SISTERS, Sept. 7.—The matter of establishing a creamery here is being considered by the farmers of this neighborhood, and a meeting to decide on what will be done has been called for Saturday, the 14th. A committee consisting of Ellis Edgington, M. N. Cross, George Gertson and Matt Kulesch was appointed at a recent meeting to ascertain the number of cows being milked in this community and to find out the sentiment of the people regarding starting a creamery here. The industry will likely be run on the co-operative plan, the management being in the hands of the dairymen, who will hire a good butter maker to take charge of the plant.

School opened here last Monday with 27 children enrolled. The teacher is Miss Forney. A second teacher will likely be employed by the school board.

Miss Myrtle Berry was taken ill the first of the week with typhoid fever, but her condition is not regarded as serious.

Carrie McCulley and Arthur Girtson left Thursday for Prineville where they were united in marriage at 5 p. m. The returned to Redmond and took the train next morning for Portland where they expect to spend their honeymoon. Both are popular young people of this community.

The frost was about two weeks ahead of time this year. It nipped the potatoes, but the crop is fine. Strahm & Son have several acres that are splendid.

Mr. Knickerbocker, who owns a

fine farm near here, bought it three years ago as a speculation. He has been renting and working in Portland at carpenter trade, but decided last spring to rent his furnished home in Portland and bring his family up and run the farm a year or so. He cultivated about eleven acres of alfalfa and got about 35 tons of hay. He had about the same amount of clover in and got 22 tons of hay. He has plenty of apples, has six cows and some hogs and says Central Oregon is good enough for him. His family will leave for Portland in a few weeks where they will spend the winter. They will return in March with their household goods to make this their home.

The McCallister boys have just finished clearing and irrigating 600 acres. Strahm & Son are clearing and irrigating 150 acres of new land.

C. W. Elkins will soon have finished clearing 160 acres of new land. There have been great improvements here this year.

## LAIDLAW

LAIDLAW, Sept. 10.—Mr. and Mrs. E. B. James have sold their store and buildings here and will probably leave Wednesday morning for Casadero, Ore., to visit their son Otis and family, after which they will go to their farm near Crawfordville, Ore.

Mr. James was among the first settlers in Laidlaw and has greatly endeared himself to all the people here. His activity in church work will be greatly missed. Mr. James has so much love for this country and so much faith in its ultimate success, that it is believed he will come back at some future date to his farm here.

Geo. Fisher has traded his fruit farm near Crawfordville, Ore., for the store of Mr. James and is now in possession. Mr. Fisher is a competent merchant and is pleased with the country.

G. M. Couch is now cutting grain for Perry Woolley, and has quite an acreage to cut for neighbors.

Mr. and Mrs. Harmon Cook left Tuesday morning for Los Angeles, California. They will visit at Mrs. Cook's sister's home for a time. The church and temperance cause here will lose another worker in Mr. Cook.

Chauncey Becker is at home after an extended trip. He reports everything pretty well soaked on the other side of the mountains.

THE DEERE LINE OF  
PLOWALL  
FARM  
FAVORITES

The farmer finds the Deere Line contains just the plow he needs—a plow for every purpose. For over 68 years the John Deere Plow has been "the plow without a peer," and it's better today than ever, because we have made it our constant aim to improve, strengthen and simplify, as well as multiply the line in order to meet the requirements of advanced, scientific methods and special farming, until today there are

Over  
1,000 Styles

of plows in the Deere Line for the farmer to select from. Every one of them is stamped with the name which means so much to plow users; the name that guarantees the quality and workmanship of every bolt, nut, beam, share, moldboard, every brace and every rod that goes to make the complete plow. Don't buy until you have become acquainted with the Deere Line of Plows.

H. J. EGGLESTON

THE COMING  
Hog Center

All indications point toward Bend as the center of a profitable and extensive hog raising section. The climatic conditions of this section are ideal. Shipping facilities make rapid transportation at low cost possible. Farmers will do well to look into the hog raising business as it is a paying one.

Getting the largest profit out of a pig, requires simply proper feeding to develop the greatest amount of weight in the shortest time, on the most economical feed.

FOR THIS PURPOSE, FEED UNION MEAT COMPANY'S  
DIGESTER TANKAGE

Union Meat Company's Digester Tankage develops bone and muscle in young pigs, and makes them grow. It prevents rheumatism, thumps and rickets. It imparts such fit and finish to "show" swine and market hogs that it has won the title, "The feed that makes Prize Winners and Market Toppers."

Union Meat Company's Digester Tankage is the most economical feed obtainable. Experiments have shown that \$1 worth of Digester Tankage puts more weight on a hog than \$1 worth of any other kind of feed.

Digester Tankage is a concentrated Protein Meal. It is made from fresh, wholesome pieces of meat trimmed from beef. It is shipped in the form of a meal which makes it easily mixed in mash feeds. Shipped in convenient 100 pound sacks. Keeps indefinitely.

Digester Tankage has been tried and recommended and is now being used by best growers and authorities in the Northwest. It is becoming more popular every day. It will pay you to know more about it. Send at once for circular No. 49.
