Ora and Melvin Foster are attending the Round-Up at Pendleton, Roy Moss left some time ago for

the Round-Up to try for the world's championship at steer roping and tying. Mr. Moss holds the Northchampionship since last

J. P. Bowman left last week on a business trip to North Yakima,

"Dad" Shepherd, a ploneer of Crook county., is back here on a visit from Canada, where he moved after selling his ranch here a couple of years ago. The Shepherd school district is named for "Dad"

Misses Jennie and Annie Miller are attending high school at Prineville this year.

Ort Moss has gone to the mountains for a band of sheep.

****************** FREMONT

FREMONT, Sept. 29-The thresher has been humming in Fremont the last week. Wheat and rye are yielding more than 20 bushels to the acre and O. O. Jetley of Berkley, Cal. formerly of South Dakota, an expert wheat buyer, says the wheat raised in Fremont is a No. 1 northern. He had just come from the state fair nt Sacramento, Cal., and says there was no wheat there that would equal the Fremont wheat.

Oats and speltz have yielded well here.

The first load of Fremont full cream cheese went to the Central Oregon Brokerage Co, at Bend last week. They paid Portland prices at the factory.

Two more car loads of high grade dairy cows are expected to arrive in Fremont soon.

The railroad surveyors are now camped in Fremont, making the final changes in the line between Fremont and Crescent.

Mrs. Glaze has been to Summer Lake improving her desert claim. Her son, C. S. Barrett, and C. G. Jackson were doing the work for her.

Robert Mogan and family left this week for Lake Charles, Louisiana, to visit his old home and folks. His father is not expected to live long.

********************** GIST

************** GIST, Sept. 28.-School opened Monday with an attendance of Miss Ellen Crawford is thirteen.

The little daughter of Mr. and Mrs. broke an arm. She is now getting Schmeer's place by Mr. Martin. along nicely.

mer Lake were at Mr. McCulley,s on business Sunday.

M. W. Knickerbocker, wife and children left Sunday for Bend, from high school at North Yakima this there going to Portland. Mr. Knickyear, having taken the September erbocker will return in a few days and his family will remain in Portland until spring.

MOLINE, ILL

made right, by a force of

made right, by a force of
akilled plow experts whose equal
cannot be found in any other plow factory in the world. There are many different
makes of plows, each claiming to be the best, yet
the fact remains that three John Decre plows are
in use to one of any other kind. The John Decre Factory, the largest in the world, turns out every year more
plows than any five other factories combined.

Standard of the World

For Over 60 Years

The Pioneer Plow Maker, John Deere, made his first steel plow by hand from the blade of a saw in 1837. The first slab of steel rolled in the United States was rolled for the John Deere plows by William Woods, of Pittsburg, in 1846. And ever since those early days Deere Plows have shown the way and maintained the lead in this great national industry. Is it any wonder that the farmers of the world express their verdict in the familiar phrase,—"If it's a Deere—"It's Right."

We pake over 1000 styles of plants and the steel plow by

We make over 1000 styles of plows, each as good as it can be made,—the best that brains and perfect equipment can produce. No matter what your needs may be, we can supply them from our line.

THE COMING

All indications point toward Bend as the center of

matic conditions of this section are ideal. Shipping facilities make rapid transportation at low cost possible.

Farmers will do well to look into the hog raising busi-

Getting the largest profit out of a pig, requires almply proper feeding to develop the greatest amount of weight in the shortest time, on the most economical feed.

FOR THIS PURPOSE, FEED UNION MEAT COMPANY'S

DIGESTER TANKAGE

bone and muscle in young pigs, and makes them grow. It prevents rheumatism, thumps and ricketts. It imparts such fit and finish to "show" swine and market hogs that it has won the title, "The feed that makes

Prize Winners and Market Toppers."

Union Meat Company's Digester Tankage is the most economical feed obtainable. Experiments have shown that \$1 worth of Digester Tankage puts more weight on to a hog than \$1 worth of any other kind of food.

Digester Tankage is a concentrated Protein Meal. It is made from fresh, wholesome pieces of meat trimmed from beef. It is shipped in the form of a meal which

makes it easily mixed in mash feeds. Shipped in convenient 100 pound sacks. Keeps indefinitely,
Digester Tankage has been tried and recommended

and is now being used by best growers and authorities in the Northwest. It is becoming more popular every

day. It will pay you to know more about it. Send at once for circular No. 49.
