MAP OF OREGON showing the location of La Pine in the Central Oregon region. Includes text: 'WATCH LA PINE - THE COMING CITY OF CENTRAL OREGON - WHY?', 'RESOURCES OF LA PINE', 'STRATEGIC LOCATION', 'WATER POWER', 'SCENERY UNPARALLELED', 'LA PINE TOWNSITE COMPANY, La Pine, Oregon.'

You Should See La Pine and its surrounding country. The land is a rich, deep volcanic ash formation, no rock is level, has good drainage, and excellent drinking water never deeper than 30 feet. The irrigated land with a perpetual water right can be purchased at \$25.00 per acre on easy terms. The surrounding pine covered mountains are full of natural wonders—and just the place for a vacation. La Pine is only about two years old, but growing rapidly. It has a telephone system, two good hotels, two big general merchandise stores, a first class livery and feed stable, an excellent newspaper (the La Pine Inter-Mountain), one of the most progressive commercial clubs in the state—and this club, by the way, has its own property and the past year erected thereon an attractive club house. There are three small saw mills in the vicinity of La Pine, which is just the beginning of the big lumbering and milling business that will be done here. There are good openings in manufacturing and other industries here. In educational matters La Pine is progressive. It has a ten-acre school park in the heart of the residence section, and now teaches up to the twelfth grade. A Catholic church will be built here this spring, and other churches are planning to establish themselves. La Pine has over 12,000 available electric horse power which the owners have contracted to develop, and which alone would build a good sized city. The big area of farm land tributary to La Pine would alone build and maintain a good sized city. The vast tracts of timber tributary to La Pine would alone build a good sized city. With the coming of the two big railroad systems to La Pine, which will be soon, development in and around La Pine will be rapid. La Pine can be reached via Gr. Nor., N. P., O. W. R. & N. and U. P. Rys. You can make money by buying property at La Pine in advance of the railroads. Others are doing it, why not YOU? WAKE UP to the fact that a solid, well-located town in one of the newest and best sections of the Northwest is bound to grow rapidly, and that property values will climb accordingly. Prices now from \$25.00 up. The terms are easy, only a few dollars per month on each lot. You don't miss the money, but you soon acquire valuable property. Write today for plat, prices and terms to
