Saved \$150 in Six Months

AN Illinois farmer whose specialty is poultry bought an International Commercial Car for no other reason than that of spending more time with his chickens. At the end of six months he wrote the agent, "That car I bought from you has put \$150 in my pocket already. When I am at work my time is worth a dollar an hour, sometimes more. On the road it's worth about half as much. That car has saved me two hours a day for six months, 300 hours, one hundred and fifty dollars." You may be able to profit quite as much by the purchase of an

International Commercial Car The Car That Has Made Its Way by the Way It's Made

An International Commercial Car does two or three times as much work as a horse and wagon, at a cost per delivery much lower. It enables you to cover twice as much territory. On hundreds of farms the car has earned enough to pay for itself in a couple of seasons. Its usefulness is almost endless. Its solid rubber tires reduce tire troubles and expenses to a very low figure. The wheels are high enough to give ample clearance on bad roads. The ignition system is of the best. The motor is simple and easy to understand. One lever controls the car. Brakes are positive and powerful! Write today for full information regarding an International Commercial Car—a car that earns its keep. A postal card will do.
