Bercovitz and N. Gold, who being duly sworn depose and say, that we and each of us are affiliated with the Hebrew Agricultural Association of Portland, Oregon, that we were induced by the said association to come to Central Oregon and file on government land, that said land was selected for us by said association, that we and each member of the colony filed on land selected by said association according to their instructions, that the Oregon Land & Immigration Co. of Bend, Oregon, as agents of said association had nothing whatever to do with our coming to Central Oregon and are in no wise responsible for the ill feeling that now exists between the members of the colony and said association, that we and each member of said colony filed on the land shown us by Mr. Henkle and Mr. Post of said Oregon Land & Immigration Co., that there was no mislocation of us or any of said colony, that the dissatisfaction now existing among members of the said colony is caused solely by the inexperience of some of its members in this line of work and the inclemency of the weather at the time they moved on the land; that we have been dealt fairly with by said Oregon Land & Immigration Co. and do not or cannot hold it responsible for any of the dissatisfaction now existing among the members of the colony.

Ta, Ta, as always,
Lou.

P. S.—Bring any friend with you when you come. I'm not ashamed for anybody to see my parlor. I've just fixed it up with furniture I bought from
