

TUOBAGO LAW IS CITED

County Judge Informed That Merchants Sell to Minors.

The Bulletin has received the following communication from the county judge's office:

"It has recently been brought to the attention of the county judge that a number of merchants are violating a state law which prohibits the sale of tobacco to minors, and also that boys are using tobacco in public places. The office feels that in many cases these offenses are being committed in ignorance of the law, and is anxious to do all in the way of warning before any action is taken in the matter. To this end the following letter has been sent to a number of parents:

"Dear Sir: It has been reported to the Juvenile Court of this county that a number of boys under the age of eighteen are violating a state law regarding the use of tobacco in any form by a minor in public (Sec. 2149 L. O. L.). Your boy is among the number, so in order to save yourself and him future trouble, we would advise that you take steps to correct this evil tendency on his part. If you can ascertain from what source your boy obtains tobacco, we shall be glad to cooperate with you in enforcing the law against those who are knowingly contributing to the delinquency of a minor by furnishing him tobacco without the consent of his parents or guardian. (Sec. 2148, 2150, L. O. L.).

"Trusting this note of warning will be sufficient to put you on the alert, we remain,

"Yours truly,

G. SPRINGER,

County Judge of Crook County."

WEEKLY MARKET REPORT.

NORTH PORTLAND, April 11.
—Receipts for the week have been: Cattle 1670, calves 156, hogs 3226, sheep 2573, horses 8. Market steady to a shade lower. The yards were filled with a very liberal run. Trading was extremely active the first of the week, but lost prestige toward the close. Only one load of prime steers sold at \$8.25 Monday. Bulk of sales averaged from \$7.50 to \$7.90. Weight decreased and beef quality graded medium good. Butcher stock sold well. Bulk of cow sales ranged between \$6.50 and \$7 with a few small lots realizing over seven cents. Bulls are firm, but a slight loss to the real trade shaded the \$9 top to \$8.75. Generally the cattle market is off ten to fifteen cents with demand not so urgent. Extreme quotations are \$8 to \$8.15 for best steers, \$7 to \$7.15 for cows, \$6 to \$6.25 for bulls and \$8.75 for calves. The hog market was shattered in quick time after buyers commenced hammering the high level of last week. Falling Eastern markets, together with liberal liquidation gave them an opportunity to lower bids and there after the decline was rapid. From the unsteady Monday top of \$9.60 prices hit bottom at \$9.30 on Wednesday and Thursday where it settled temporarily at least. All grades of swine decreased proportionately with the best light variety and is still on unsteady basis. Mutton buying was limited to a half dozen cars of wethers, ewes and lambs, all selling at recent high prices. Wool wethers at \$7.25 and ewes at \$6.25 indicate the range in prime stuff. Best lambs sell easily at \$8. Sheared stock a dollar less.
