# NIGHT TRAIN IS BOON---WILKES

## TRAVEL TO BEND IS INCREASED

New Service Arouses Interest of Portland Fishermen Who Plan Excursions to Central Oregon During the Summer Months.

Prediction of a greatly increased travel to Bend was the substance of comment on the new night train service to Central Oregon made by W. C. Wilkes, assistant freight and passenger agent of the S. P. & S. Railway when here last week.

Mr. Wilkes stated that already travel from Portland was showing considerable stimulation as a result of the night service, and it is his belief that hundreds of people will now "take a look" at Bend who never before have felt able to take the two days previously consumed by the journey. He also pointed out the advantage of the new service for immigrants, as now when they wake up after a comfortable, cool night on the sleeper they will look out upon the level country, where hitherto they have aweltered for 12 hours up the desolate canyon, many of them getting discouraged because they thought that the land they saw was typical of all the interior.

"You would be surprised to know how many inquiries we are receiving from Portland fishermen," said Mr. Wilkes. "Already I know of 39 who are planning to take a week-end trip to Bend. By leaving Portland Friday night, they get two entire days at Bend or along the Deschutes, and get back for business on Monday morning. We shall pay special attention to this phase of our attractions in our publications and other publicity hereafter."

### MUSICAL PROGRAM PLEASANT

Club Met Last Wednesday at Mrs. E. R. Post's.

The third fortnightly meeting of the Wednesday Musical Club was held last week at the home of Mrs. E. R. Post. The program for the afternoon was made up entirely of the compositions of Central Oregon musicians, two of whom were present to interpret their work in person. The numbers, which were much appreciated by the club, were:

Song, "What Will the Answer Be?" composed by Chester Catlow and sung by Mrs. Powelson.

String duet, with piano accompaniment, "Romanza," composed by O. M. Guptill and played by Mrs. Ward, Mr. Guptill and Miss Graves.

Piano solo, "Frolle of the Fairies," composed by Mr. Guptill and played by Miss Graves.

Piano solo "Mexicali," composed by Chester Springer and played by Miss Graves.

Piano solos, "To the Old Stage Coach," "To a Sand Lily," and "The

Buckaroo," all composed and played by Mr. Catlow.

### R. P. MINTER MARRIED

Bride Arrived Saturday Evening From Kansas.

In the parlor of the Bend Hotel at 8:45 p. m. Saturday, R. P. Minter and Mrs. Mary Hunt were united in marriage, Dr. L. I. Gorby officiating. The only witnesses present were Mr. and Mrs. Hugh O'Kane.

The bride arrived on the evening train from Chanute, Kansas, accompanied by her 14-year-old son. She was met by Mr. Minter and they proceeded to the hotel, where the ceremony followed immediately. The "knot had been tied" and the newly weds driven to Kenwood, where they will reside, before many of the bridegroom's friends learned of the event. Some of them had planned a charivari for Sunday evening, and consequently "got left."

Mr. Minter is manager of the Homesteaders' Land Co.

## You Should See La Pine

The land is rich, deep volcanic ash formation, no rock, is level, has good drainage, and excellent drinking water never deeper than 20 feet. The irrigated land with a perpetual water right can be purchased at \$5.00 per acre on easy terms. The surrounding pine covered mountains are full of natural wonders—and just the place for a vacation. La Pine is only about two years old, but growing rapidly. It has a telephone system, two good hotels, two big general merchandise stores, a first class livery and feed stable, an excellent newspaper (the La Pine Inter-Mountain), one of the most progressive commercial clubs in the state—and this club, by the way, has its own property and the past year erected thereon an attractive club house. There are three small saw mills in the vicinity of La Pine, and a big saw mill is just the beginning of the big lumbering and milling business that will be done here. There are good openings in manufacturing and other business lines here. In educational matters La Pine is progressive. It has a ten-acre school park in the heart of the residence section, and now teaches up to the twelfth grade. A Catholic church will be built here this spring, and other churches are planning to establish themselves. La Pine has over 12,000 available electric horse power which the owners have commenced to develop, and which alone would build a good sized city. The vast tracts of timber tributary to La Pine would also build a good sized city. With the coming of the two big railroad systems to La Pine, which will be soon, development in and around La Pine will be rapid. La Pine can be reached by Gr. Nor., N. P., O. N. R. & N. and U. P. Rys. You can make money by buying property at La Pine in advance of the railroads. Others are doing it, why not YOU? WAKE UP to the fact that a solid, well-located town in one of the newest and best sections of the Northwest is bound to grow rapidly, and that property values will climb accordingly. Prices now from \$500 up. The terms are easy, only a few dollars per month on each lot! You don't miss the money, but you soon acquire valuable property. Write today for plan, prices and terms.
