**REPAIRS**  
Did you say repairs? We have them for McCormick machines—mower parts, binder parts; in fact, we carry a complete line for old McCormick machines as well as new. Drop in. Let us figure with you on the repair question. Make your wants known. We will tell you exactly what it will cost to repair your old machine, and in case the expense would be too great, we will frankly tell you so, thus placing you in a position where you can get your new McCormick machine in time for harvest.  
We handle a complete line of McCormick machines, and will be glad to see you at any time. If you are not ready to buy, call and get our catalogues anyway. They will interest you. They will inform you as to exactly what we have, and then you will know exactly what you want when you get ready to buy.
