# Sportsmen Find Diversified Attractions in Trips From Here

Local Man Tells of Fishing and Hunting --- Stocking Various Rivers and Lakes With Trout is the Work Now in Hand.

> That the Deschutes at or near Bend offers a remarkably fine site

> for a fish hatchery is without doubt.

river in the Northwest supplies such

a large territory with fishing as does the Deschutes. It is the camping

ground for nearly everyone in Central Oregon, and as such merits a

large measure of attention, especial-

In the autumn season there is ex-

cellent duck shooting along the Des-

chutes, but especially above Bend. To

ing grounds. Geese and some swan

are are also encountered, and as the

hunting conditions are so satisfac-

sportsmen manage to get a great

amount of enjoyment with guns and

Deer, while not as plentiful as in

former years, are still to be had, and

mountain pack horse trips in the au-

tumn are almost certain to result in

satisfactory bags. Bear hunting is

without the aid of experienced men

familiar with the territory. Dogs

many sagebens.

Mr. C. M. McKay, writer of this are periment. ticle, as deputy game and fish warden for Central Oregon, comes in contact with all phases of local Not only is the condition of water matters of interest to sportsmen, excellent, but the geographical situa-

In addition to his official position, good for a large territory, as all the he is, from private experience, interior can be supplied with fry specially well qualified to describe from here very easily. Also, no one fishing and hunting possibilities.

Sportsmen may find much recreation in the Bend country, and now ly, perhaps, because so many thousthat it is so readily reached its at- ands of dollars have been and are beattractions are drawing more and ing collected in this territory from more people

The entire length of the Deschutes ffers fishing; early in the season the ower stretches of the river are the best, and later the upper waters offer the most sport. Trout abound, and many large "Dolly Vardens" are caught with spoon and bait. Fly dishing, of course, is the order of the day with trout. In addition to the Deschutes, with its nearly 200 miles of fishing, there are a half dozen lesser rivers, such as the famous Me-Lolius in the Sisters country, and a number of lakes to the south and west of Bend, nearly all offering bplendid fishing, and all easily reach-

. As an indication of the interest local sportsmen are taking in insur- good, but little can be accomplished ing good fishing for years to come, and the co-operation of the state game authorities, it is interesting to and horses are usually used. note that very soon-probably with-In a few weeks-250,000 trout fry will be imported from the state Coyotes are often shot, and an occas patchery at Bonneville, to be placed lonal cougar or bolicat adds zest to in the Deschutes at various points, in any hunting excursion. the Metolius and in several of the large lakes. A smaller importation can be recommended for those who of fry of Eastern Brook trout is also want pleasant outings and good promised, and these will be planted sport, whether with rod or gun, and in a small stream where they can be from Bend any kind of a trip can be segregated and developed as an exparranged.
