## Furnish Your home for fall now

Dear Amy:—  
This morning, Baby John got into the basement with a hatchet and chopped at the parlor set until it isn't presentable. We stored our heavy furniture for the summer. My! but his father would have had lots of furniture to buy if baby hadn't smashed his thumb when he did and given the alarm.  
But buying new furniture is an easy task for me. I long ago found a reliable place to trade and I've been going there for a long time and nowhere else.  
Always your friend,  
Lou.

P.S.—I advise you, too, to buy your house furnishings from
