Get a new bed room set for the spare room!

Dear Amy:-

Laura and her husband stayed with us last night. How she praised the furniture in our spare room! You feel like having your friends come to visit you if your home is beautifully furnished throughout, don't you?

When you go to buy furniture, you should not only know that the style is right, but that it is strongly made; and you should go to an honest store where you will know that the price is right.

Always your friend,  
Lou.

P. S.—The style, quality and price will all be right, and you'll have a big stock to choose from, if you buy your furniture from
