ROUNDUP SEPTEMBER 11-13

Star Cowboys and Cowgirls Will be Performers.

(Special to The Bulletin)

PENDLETON, Sept. 2.—Arrangements have been completed for the star performers for the Pendleton Roundup, September 11, 12, and 13, and the list includes all the best known cowboys and cowgirls in the West. Miss Jane Bernoudy of Arizona will be the star roper in the girl's class, while Sammy Garret, formerly of the 101 Ranch in Oklahoma, will twirl the rope in front of the

grandstand. Willie W. Padgett of New Mexico and Art Acord of Utah will be the cowboy trick riders, while the noted little Tillie Baldwin will do the fancy stunts in the girl's riding. Cuba Crutchfield will also do the four, six and eight horse catch. In the cowgirls' bucking contest there will be Prairie Rose of Oklahoma, Hazel Walker, Bertha Dukes, Bertha Blancett and Blanche McGaughey.

The accommodation committee is making preparations to care for 50,000 visitors and there will be a place to sleep and eat for everyone who comes.

WEEKLY MARKET REPORT.

NORTH PORTLAND, Aug. 29.—Receipts for the past week have been, cattle 2064, calves 91, hogs 820, sheep 4096, and horses 1. The cattle market has suffered decline since last Saturday and while not severe, it amounted to a quarter. Buyers could not be induced to bid over $8 for any quantity of choice steers. A few picked from the lot sold at higher prices but the bulk was a $7.50 to $7.75 affair. Half fat and poorly finished beef is a drug on the market, unless of feeder quality. Desirable feeders are selling freely $6 to $6.50. Butcher stock has been uneven and prices ranged wide. Good cows at $7 and steers at $8. Bulls at $5 and calves at $9 are liberal quotations in the cattle market. A difficult hog market to judge. One short car sold Thursday for $9.60 and one car of contracted stuff came into the yards Friday, but these were the only two at the unloading chutes on these days. Monday's top sales were $9.30 and one load Tuesday "off cars" at $9.70. What the market would do in the event a reasonable liquidation occurred and buyers had a respectable hog spread is hard to conjecture. Monday had the only receipts of the week and the total was extremely light. On the basis of majority of swine transactions the prices seem strong at $9 and $9.50 and demand firm. Mutton and lamb buyers furnished the only interesting feature to the otherwise draggy livestock market. Wether sales at $4.25, ewes at $3.85 and $4 and lambs at $5.25 created an active trade. Killers are not short on sheep house supplies, but they fancy the prime stuff evidently, which is but a small proportion of the total receipts. Prices are considered steady.

COYOTES EAT VEGETABLES.

(Shaniko Star)

Wm. F. Beeman, who lives down on the Deschutes, was in Shaniko Tuesday with a load of vegetables from his homestead. He says the coyotes are becoming quite numerous down his way, and are also becoming vegetarians. During the past two weeks they have been eating his ripe tomatoes and watermelons and digging up his potatoes.

INVOICE ORDER GIVEN.

The Postmaster General has issued an order that at 12 o'clock noon, September 20, every postmaster, every mail clerk on trains and boats and every transfer clerk handling mail, take an invoice of all government property in their hands used in the handling of mail. This order was issued that the department may find out just how much equipment is on hand. Mail clerks who have been on the job a number of years say this is the first time they remember that a general invoice order has been issued, and the invoice will undoubtedly bring to light many interesting facts heretofore unknown in a general way.

"There Is a House With a Bathroom"

was an expression at one time calculated to arouse interest, but now, conditions are entirely different. To build a house without a bathroom merely raises a question as to the good judgment of the builder. People know that he has either not considered or else misjudged the importance that an up-to-date bathroom has in increasing the value of the house, both as to renting and selling value.

For the finest plumbing equipment at reasonable cost we recommend "Standard" plumbing fixtures and will be pleased to show you the many artistic designs in which they are made. Ask for illustrated booklet.
