The court was here Saturday, Sheriff Ekkins driving the county car. The matter that chiefly occupied their attention pertained to the Bend-Laidlaw road, which had been fenced up by a property owner on the eastward jog given it by the C. O. I. Co. around the North canal dam during construction last year. It is understood that some satisfactory arrangement has been entered into so that the road can be permanently opened, and its present miserable condition and its present miserable condition improved.

Strenuous ellort was made to impress the court with the great need of road work around Bend, and protest concerning what was atyled wasted money on the Lava Butte road was made; there another trail is being opened up parallel and close to the present double load, by order of the court. It is contended that this is sheer waste of money, as the
