MISS EASTES BECOMES BRIDE

SAN FRANCISCO MAN IS GROOM

Elaborate Reception Followed Pretty Wedding at the Altamont Last Wednesday Evening—Couple Honeymooning in Portland.

Last Wednesday evening Miss Edith Mae Eastes was married to George Robert Stapleton, the ceremony being performed at 5:30 by Father Butler of the Catholic church, at the Altamont Hotel. Miss Eastes is the only daughter of Mr. and Mrs. J. A. Eastes. Mr. Stapleton is the Western representative of the Inca Stove & Range Co., making his headquarters at San Francisco, where the newly wedded couple will make their home.

The marriage itself was extremely quiet. Miss Sara Perry was maid of honor and the only attendant and D. M. Davis was best man. The bride wore a becoming and exquisite gown of charmeuse and lace, with a corresponding lace cap gathered in with clusters of orange blossoms over the ears. Instead of the usual flowing bridal veil, the bride carried an elaborate shower bouquet of lilies of the valley and white roses, while her maid held an arm bouquet of delicate pink roses harmonizing pleasantly with her draped gown of blue crepe de chine.

From 6 to 7:30 close to a hundred friends were guests at a reception, a feature of which was the singing of the Choral Club. Miss Eva Graves, who had played the wedding march, also accompanied the chorus and the quartet. Mrs. R. B. Gould and Mrs. E. R. Post sang solos. Elaborate refreshments were served, several of the Priscilla Club members officiating. The rooms were tastefully decorated with quantities of white and pink carnations, sword ferns and manzanita. One room was devoted to the exhibition of the many attractive gifts.

Mr. and Mrs. Stapleton left on the 8:30 train Wednesday evening for Portland, where they are spending a week before proceeding to California.

STATE LEVY TO BE FIVE MILLS

TOTAL ASSESSMENT IS \$835,263,527

Increase Over 1912 is \$42,173,316—General Fund is Now Exhausted—Assessments of Central Oregon Counties Are Given

SALEM, Nov. 10.—The total value of taxable property as equalized by the county boards of equalization in Oregon, not including the property of public service corporations which will be assessed by the State Tax Commission, for 1915 is \$835,263,527, according to an announcement of the commission.

The increase over 1912 is \$42,173,316. Messrs. Eaton and Gallaway, the commissioners, said the levy which would be made December 1 will be about 5 mills, a large increase being necessary to meet the appropriations and other expenses of the legislature. The lowest levy in the history of the state was in 1912, it being 1.2 mills, and the biggest was 7 mills in 1904. It was more than 6 mills in 1902.

State Treasurer Kay announced several weeks ago that the general fund had been exhausted as a result of the small levy this year, and that it would be necessary to borrow about \$1,000,000 to tide the state over until the taxes are received next year.

The value of taxable property as equalized by the county boards for Central Oregon counties is as follows: Crook, \$10,316,157; Grant, \$5,947,905; Harney, \$7,699,870; Klamath, \$14,298,336; Lake, \$8,815,760; Malheur, \$11,391,355; Sherman, \$6,175,055; Wasco, \$12,744,400; Wheeler, \$3,811,232.
