

CENTRAL OREGON NEIGHBORHOOD NEWS.

PINEHURST.

(Special to The Bulletin.)
PINEHURST, March 30.—J. E. Wimer made a business trip to Bend Saturday.
 G. Ed Ross and F. N. Wallace were business callers at Mr. F. V. Swisher's and also at Mr. Snyder's last Friday evening.
 Mrs. Arthur Jackson and family and Mrs. G. W. Snyder, Mrs. J. J. Coen and Miss Margaret Mock were Laidlaw callers Friday.
 The Houghtling family have moved from Camp No. 4 to the old Greiner place.
 Mrs. C. L. Johnson was a Laidlaw caller one day last week.
 Quite a number of Pinehurst people attended the auction sale at the Star ranch Saturday.
 Lester and Beattie Snyder spent Saturday afternoon with Mrs. J. J. Coen.
 The infant daughter of Mr. and Mrs. C. H. Spauld is quite ill.
 Mr. and Mrs. A. O. Walker spent Sunday with Mr. and Mrs. Coen.
 County school superintendent J. E. Myers visited the school Monday.
 The quarterly election of Sunday school officers was postponed until next Sunday.

LAIDLAW.

(Special to The Bulletin.)
LAIDLAW, March 29.—Mr. and Mrs. Snelder and Mr. and Mrs. Cady have moved into the Snelder home on North Cook Avenue.
 Little Aileen Wallace, who has been sick with the measles, is able to be out again.
 Sunday visitors at the Wallace home were Mr. Wallace's sister, Mrs. Winnek, and her daughter, Mrs. Lakin and husband.
 On Wednesday, March 25th occurred the wedding of James Fisher, son of Geo. Fisher of Laidlaw and Sylvia Fetti, of Laidlaw.
 Mr. and Mrs. Geo. Fisher are packing their household goods, and are soon to leave for Hermiston, their new home.
 The family of Mr. Griffin, the new Laidlaw merchant, is expected to arrive here this week.
 Rev. A. O. Walker's family accompanied him to Laidlaw this week, and were present at the Sunday services.
 There will be choir practice next Saturday evening at the church, to prepare for the Easter music. All interested in the music will please be at the church promptly at 7:30 Saturday evening.
 John Wimer's store was closed for a few days the past week but was open for the Saturday's trade.
 The milliner from Redmond was at Griffin & Co.'s store all day Friday with a large display of ladies and children's hats. A great many of the Laidlaw ladies took advantage of the chance to purchase a new "Easter bonnet."
 Don't forget the new motto of the Sunday school "Be on-time," next Sunday at 10:15 a. m. Everyone is cordially invited.
 Mrs. G. E. Ross will act as superintendent of the Laidlaw Sunday school this quarter.
 The Piano Club is planning an apron sale and business men's lunch the Thursday before Easter, to be held at the hall during the afternoon and evening.
 Mrs. Hall of Riverside Inn, is again able to be about, after a serious siege of grippe.
 Mr. Lamson and T. V. Beasley of North Yakima, have arrived to resume work at one of the Tumalo camps.

SUNNYSIDE.

(Special to The Bulletin.)
SUNNYSIDE, March 26.—This section has been favored with exceptionally fine weather during the entire month and farmers and gardeners have been busy plowing and planting.
 Misses Lulu Montgomery, Myrtle Scoggin and Messrs. Hubert Scoggin and Floyd Scott passed through Sunnyside Saturday on their way to Laidlaw. Miss Montgomery has resigned her position as teacher of Plainview and will leave soon for her home near Prineville.
 A new ditch camp is being erected near this place by the engineers of the Irrigation Project, and is known as Camp No. 7. The equipment from headquarters and a crew of working men were brought out during the first of the week, and work in this section is already under way.
 J. B. Nichols and family have recently returned from Spokane, Washington, where Mrs. Nichols attended Spokane University during the winter. They express themselves as being well pleased with the development made by Crook county during the last year, and report that people in the Spokane valley are much interested in this country and many settlers are expected to arrive from that place during the summer.

STAUFFER.

(Special to The Bulletin.)
STAUFFER, March 16.—Fred Overall made a trip to Bend last week to purchase a seed drill.
 Jas. Smith and son expect to begin work for W. W. Brown the first of April.

 Ben De Witt has been doing some farming for Dr. Reed the last week.
 McGinity and Harris made a trip to Brookings last week after seed grain.
 C. Hash is out at Bend this week. Most of the farmers will be all through seeding this week.
 The Stauffer mail carrier came in on foot last week. He says bronchos do not make good pack horses.
 Ben Rhodes has cleared 20 acres of sage brush in the last three weeks and expects to put in a crop this spring.

DRY LAKE.

(Special to The Bulletin.)
DRY LAKE, March 23.—Spring work is now in full progress. Fall sown grain looks good.
 N. N. Kins is back in Dry Lake after spending the past four months in Portland. He has rented the Swanson homestead and the Moore homestead adjoining. Mrs. Kins is still in Portland and will remain there for some time yet.
 The postal business at Dry Lake is increasing all the time. According to Postmaster Bengston the money order department is well patronized.
 Cattlemen report stock in good condition. The black leg vaccination has materially decreased the deaths, there having been only a few in the past two months.
 The dance at the Dry Lake hall on Friday was attended by the largest crowd of the season. Every one passed the night in a jolly good time.
 Joe Murphy has been in on his father's claim to have some seedling done. He will soon start for Lake county where his father is running a well drill and take the place of his brother Charles and later return here and do some more work on his claim.
 Several new settlers are expected in this spring.
 Agnew brothers, from Seattle, are planning some extensive improvements on their claim.
 J. Ames is expected in from Bremerton, Washington, shortly, a car of household goods having already arrived for him from Bend. His son is preparing to meet him in Bend.
 A large shipment of fruit trees is expected to arrive in Bend for Dry Lake about April 1. A number plan to plant diversified orchards around Dry Lake this spring.
 The outlook for good crops is excellent, the ground never being in better condition for crops than at this time.

RIVERS.

(Special to The Bulletin.)
RIVERS, March 24.—The name of Highland has been changed to Rivers, on account of trouble with the mails.
 While playing at school Thursday John Hallmeyer had his collar bone dislocated. He is doing nicely so far.

 CENTRAL OREGON'S NURSERY

Hog Food Specialist In Bend This Week

C. C. CATE, THE UNION MEAT COMPANY'S HOG FOOD SPECIALIST, WILL PERSONALLY VISIT FARMERS TO DEMONSTRATE THE VALUE OF DIGESTER TANKAGE.
 Successful hog raising is a certainty—not an uncertainty. The thousands of successful breeders and feeders are expert testimony to this fact. Practical knowledge—good care and **RIGHT FOOD** are essentials—especially **RIGHT FOOD**.
DIGESTER TANKAGE
MADE BY UNION MEAT COMPANY
 North Portland, Oregon
 is a proven hog food of high quality. Being made of concentrated animal food (60 per cent Protein) it develops bone and muscle in pigs and **MAKES THEM GROW** by supplying the bodily nourishment that other foods lack. It is fed wet or dry—mixed with other food.
 Mr. Cate's knowledge of the hog industry in general and hog foods in particular, enables him to give hog raisers practical advice.

MILLICAN, OREGON.

Stop the Loss—Fires are Unnecessary

BRICK IS ABSOLUTELY FIRE PROOF IN ANY ORDINARY CONFLAGRATION.
BRICK BUILDINGS NEVER BURN, ALTHOUGH THEY ARE SOMETIMES INJURED BY FALLING TIMBERS OR COMBUSTIBLE INTERIOR WOODWORK.
A BRICK BUILDING IS ABSOLUTELY FIRE PROOF IF WIRE GLASS IS USED IN THE WINDOWS AND IF BURNED CLAY FLOORS ARE USED.
AN INTERIOR FIRE IN SUCH A BUILDING IS CONFINED TO THE ROOM IN WHICH IT ORIGINATES; NO OUTSIDE FIRE CAN ATTACK IT.
THE PROPORTION OF BURNED CLAY IN BUILDING CONSTRUCTION MEASURES ITS FIRE PROOF QUALITIES.
BURNED CLAY IS THE ONLY BUILDING MATERIAL THAT HAS BEEN THROUGH THE FIRE BEFORE YOU GET IT, IN SUCH A MANNER THAT IT WILL RESIST FIRE. ALL COMBUSTIBLE MATERIAL IS BURNED OUT OF THE BRICK BEFORE YOU GET IT.

WHEN YOU BUILD USE BRICK.
