

REPORT LIES SAYS LEADER

SILVER LAKE PEOPLE INDIGNANT

Reception With Tar and Feathers is Promised J. W. Brewer When He Goes South Again Because of His Published Statements.

Travellers returning from the Silver Lake country say in no uncertain manner that if J. W. Brewer, erstwhile banker of Redmond and secretary of the Central Oregon Development League, and now assistant in chief to State Immigration Agent C. C. Chapman of Portland, ever sets foot in that country again he will be tarred and feathered. Indeed, according to reports, a similar fate awaits him whenever he ventures many miles south of Bend.

Mr. Brewer made a report for the Commission upon lands recently opened for homestead entry in the south country. For the most part the report was uncompromising, and in some instances bitterly harsh. The chief criticism against his attacks is based, seemingly, upon the physical impossibility of his investigating the vast areas of land in any such detail as his reports imply in the very limited time at his disposal.

Whatever the merits of the case against Mr. Brewer, the following extracts from the Silver Lake Leader indicate the temper of that community: "If there is a word of truth in the statements of Brewer, then the government of the United States has been robbed by the Foresters, because Brewer examined over 400,000 acres of land in two weeks and it took the Forest Department over 6 months to examine this same land with over 50 men on the job. We ask this question: Is the Forest Department thieves, or is J. W. Brewer a liar. Again he prattles that 'the soil is only about two inches deep,' etc. Did he come from Portland and dig all over 400,000 acres of land to find the depth of the soil, all in two weeks? We don't believe it. * * * J. W. Brewer, you are a liar and a joke."

JUDGE SAMUEL T. RICHARDSON Candidate for JUSTICE SUPREME COURT Republican Primary Election, May 15, 1914.

To My Friends in Central Oregon:—There are four justices to elect to the Supreme Bench. From personal knowledge I know that Judge Samuel T. Richardson is one of the best qualified lawyers in the State for one of the places and I ask that my friends vote for him. Yours truly, A. W. ORTON, 925 Yeon Building, Portland, Ore. Register U. S. Land Office Lakeview, Oregon, from 1909 to 1913. Pol. Adv. 9-10 c (Paid Advertisement.)

REPUBLICAN VOTERS SHOULD BEWARE

Party Should Be Represented on National Committee By a Republican

The Republicans of Oregon are entitled to have a Republican named as the National Republican Committeeman from this State. C. W. Ackerson, who claims to be a Republican, is a candidate. He registered as a Progressive January 8, 1914. Then signed petition of H. W. Coe to be Progressive National Committeeman. Then cancelled his registration as a Progressive and registered as a Republican and immediately filed his candidacy for membership on Republican National Committee. Has been an intimate and convenient understudy of the Progressive National Committeeman and seems now to be in combination with him in an attempt to shanghai the Republican organization. His candidacy is being actively backed by parties hostile to the Republican party and having personal interests and private personal grudges to serve. His erratic and excitable temperament has frequently led him to flood the columns of the press with violent attacks upon the Republican party and vicious personal abuse of prominent Republicans and life-long residents of the State.

It is a grave abuse for parties who are not Republican to register as such. It is a graver abuse for outsiders to attempt the capture of a political party to gratify a personal grudge and to promote party discord. It is an abuse against which fair-minded men of all parties will rise in protest. We can never have a reunited party by pushing to the front political horseheads and men who are political reformers simply for the sake of office. Having been a Republican only twenty-four hours when he announced his candidacy for the highest honorary position in the gift of the party, is some indication of what Mr. Ackerson's motive was in registering as a Republican. As Hon. Ralph E. Williams is the only Republican who is a candidate for Republican National Committeeman, we feel warranted in urging all loyal Republicans in the state to give him their earnest and enthusiastic support.

HOPE IS DEAD. Says the Portland Telegram: First writing his will, in which he left \$300 to his father, Henry Hope, of Held, Crook county, Oregon, on a slip of wrapping paper, Earnest Hope, age 22, a dish washer, swallowed the contents of a bottle of carbolic acid in his room at Fifteenth and Gilman streets. His health is thought to be the cause for the act. A few hours at a nice classy, clean, up-to-date place especially prepared for gentlemen, will remove all worry and troubles. The Metropolitan.—Adv
