RED CROWN Gasoline is STANDARD OIL Gasoline

Red Crown is in no sense a new grade or manufacture of gasoline. It is the same product which automobilists have known and relied on for years as "Standard Oil Gas." We have always called it Red Crown and now we wish you to know it by that name.

If you purchase Red Crown you are sure of obtaining a thoroughly uniform, reliable gasoline—not a "mixture" but a straight product of refining—the best gasoline the Standard Oil Company can make.

Red Crown signs are furnished to all dealers handling Red Crown Gasoline. Watch for the Sign or ask our nearest agency about delivery in bulk.
