PATHE REPRESENTATIVE AT WORK IN OREGON, WASHINGTON AND MONTANA.

Central Oregon and the Willamette valley will be set in motion on picture screens over the country as the result of the interest in motion pictures taken by Louis W. Hill, of the Great Northern railway. Ralph Earle, representing the Pathe Company, will take a series of pictures along the Oregon Trunk, coming to

Bend probably early in July. Last year Mr. Earle visited Harney county for agricultural pictures and they were displayed all over the United States under the caption "Opportunities and a Million Acres." In May the pictures commenced the tour of European picture theatres and Paris motion picture papers recently

ran pictures of Harney county scenes in a descriptive story of the Oregon agricultural film. Mr. Earle will visit the towns along the Oregon Trunk Railway, film the irrigation projects and secure general pictures to show the opportunities for newcomers in this part of the state.

Sheep house a very snappy department, with a steady call for smooth fat mutton and lambs. Fancy yearlings at \$4.75 and \$5 featured. Ewes ranged from \$4. to \$4.25.
