THE FOURTH AT PRINGLE

Many Prizes Were Donated by Bend Merchants.

(Contributed.)

Even the weather man has joined the Pringle Flats Improvement Club and was as busy as anybody on the National holiday providing just the right amount of shade and sunshine, which resulted in a model temperature.

In fact he prepared the race track the night before by giving it a generous sprinkling. And where this amiable, active member left off, the other members took up the work and so detail from pink taffy to the dancing pavilion was neglected.

The merchants of Bend will be remembered for their generosity in providing prizes for the races, and the fact will not be overlooked when the Pringle people go shopping.

These interesting events were as follows:

Fifty yard dash—Boys under 15. Winner of first prize, Robert Pierson. Winner of second prize, Kenneth Larkin. Prize, ball and bat donated by O'Donnell Brothers of Bend and a ball bat donated by the Winneck Co. of Prineville.

Second prize for men \$1 in cash donated by The Deschutes State Bank of Bend.

During the day the ladies served a cafeteria luncheon, the proceeds of which will go to the new hall. This was liberally patronized.

The foundation of the new hall was completed and in use for dancing, which began at 8 o'clock and the floor was crowded from start to finish.

A ball game was played with the Dry Lake team and was won by the Pringle Flats team. For that event, the Skuse Hardware Co. furnished a chest protector and the Bend Hardware Co. a glove and bat.

It is estimated that about 500 people attended the celebration.
