**WEATHER INSURANCE.**  
Weather insurance is just as necessary as fire insurance. Weather insurance means good house paint—paint that goes into the pores of the wood, covers thoroughly and defies sun and rain. S-W-P (Sherwin-Williams Paint Prepared) is a protective paint. From start to finish—from the preparation of the raw materials to the scientific proportioning and thorough grinding, it is made with painstaking care. It lasts and it protects because it is right. This same quality is found in S-W porch and deck paint, S-W Kopal and S-W Shingle Stain. Examine your house and see what it needs, then see the local Sherwin-Williams agent, N. P. Weider, painter and decorator.—A-1v

**CARROLL-BROWN WEDDING**

**Pretty Ceremony Last Week at Mrs. Estes' Home in Kenwood.**  
Thursday evening, at the home of Mr. and Mrs. Fred Estes in Kenwood, occurred the wedding of Miss Ada Brown, a niece of Mrs. Estes, to Geo. Carroll, proprietor of the Kenwood store. Miss Brown formerly lived in Missouri.  
Only a small group of personal friends were invited. The ceremony performed by the Rev. G. A. Smith, was extremely impressive. The house was decorated with pink and white, and sweet peas were everywhere. The ring service took place beneath a great horseshoe of sweet peas, and was followed by a dainty luncheon. Mr. and Mrs. Joe Rosell stood up with the couple. The bride wore a gown of white crepe de chine with shadow lace and pearl trimmings, and carried a bouquet of white sweet peas. There were many attractive gifts. For the present Mr. and Mrs. Carroll will live in the Estes' home.
