#### EDGINGTON-CRAWFORD.

Ellis H. Edgington and Ellen M. Crawford were married at the home of Mrs. J. P. Crawford, the bride's mother, east of Laidlaw, on September 2. Reverend Towne of Sisters, performed the ceremony. Mr. and Mrs. Edgington are spending their honeymoon on a camping trip at Odell and Davis Lakes and will reside at Circle ranch, two miles south of Sisters.

#### BALL WANTS HIS MONEY.

A. McC. Ball, the Portland accountant who investigated the financial affairs of the county last winter, and put in a bill for his services which the county turned down, has now begun an action for the collection of the amount he claims due. Word of the action comes from Prineville where papers in the suit were filed last week.

#### FOR A STANDARD SCHOOL.

The requirements for a standard school as recently adopted by the State Board of Education have been announced by County School Superintendent Myers. They are 12 in number and touch on all points relating to the school buildings and grounds. As soon as any district fulfills any requirement it is marked with a star and when all are fulfilled the school is awarded a pennant or a certificate. Mr. Myers hopes that all the schools in Crook county will be able to fly the pennant.

#### MILLICAN CROPS ENCOURAGE

H. F. Dyer brings in Ripe Corn From Dry Farmed New Land.

The Millican country is raising real crops. The results there are a splendid indication of what the homesteaders to the southeast will accomplish, and a sure argument for their ultimate prosperity.

H. F. Dyer came in a week ago from his Millican homestead, and he brought a fine lot of dry farm products, including big turnips and splendid wheat. He was especially proud of his corn, which had matured nicely and had many roasting ears. It was grown on ground that was plowed only three days before planting, and the results are the more remarkable because this has been an especially dry year, with no rain practically since the seed was set out.

#### WHAT COLORS? WHAT PAINT?

The two vital painting questions are—what colors and what paint? The wrong color scheme will seriously mar the attractive appearance of your home. The wrong paint will soon fade, crack and peel off, exposing the wood to the weather. You can get a pleasing color treatment and wood protection of unusual durability by using S-W-P (Sherwin-Williams Paint Prepared.) See local agent, N. P. Weider, painter and decorator.—Adv.
