LIDLAW.

(Special to The Bulletin.)

LIDLAW, Sept. 28.—The Laidlaw Fair proved quite a success. Although the exhibits were not as numerous as before the quality and size were excellent, according to those who were capable of judging.

A good crowd from neighboring towns came in and participated in the Soldiers' Reunion at Picnic Island and Community Hall. The veterans were enthusiastic and gave some very interesting talks at the hall. The singing of patriotic songs was, as usual, quite inspiring.

The gypsy carnival was the liveliest affair Laidlaw has had for some time, with gypsies in costumes, candy and confeit booths, music and two lunches, one at 6 o'clock and at noon.

We say—"I should say O'Donnell's winners are good and so are Shriener's," and we think "Laidlaw, please all right too." One feature of the evening which attracted considerable attention was a "gyp" fortune teller, who made some married men frown and some bachelors smile, with her advice in finance.

the Gypsy Carnival, Mr. Bell took her them in her wheel chair.

Rev. A. O. Walker delivered a most able address at the "Good Citizens" services Sunday a. m. The church was well filled and every one was stirred with patriotism, as a result of Rev. Walker's address and the splendid singing. Now let every "Good Citizen" do his or her part at the coming fall election.

POWELL BUTTE.

(Special to The Bulletin.)

POWELL BUTTE, Sept. 28.—Quite a crowd gathered at the G. L. Brasco ranch Tuesday to attend the auction sale of hogs, cattle and horses. Early in the sale however it was seen that most every one had come just to see what the other fellow was going to buy and bidding soon stopped altogether with the result that the auctioneer called the sale off.

Folks in this locality are all pretty well stocked up and grain being so high the temptation to buy more hogs is not to be humored.

A Frank Talk with the Voters of Eastern and Central Oregon

William Hanley

Eastern and Central Oregon have been wanting and needing a United States Senator for a long time.

A Senator at Washington who would work for their interests and would get something for the great, big undeveloped interior of Oregon.

Who would protect their wool and farm products; get Federal money for irrigation and roads, and bring in people to occupy the land.

Who would collect some of the debts of Oregon already long overdue, like the \$8,000,000 due Oregon's irrigation fund.

I want to talk frankly to the people of Eastern and Central Oregon.

NOVEMBER 3rd will be your opportunity to elect such a man.

You All Know William Hanley.

Most of you call him "Bill."

It's about time that you people of Eastern and Central Oregon were waking up to your interests, abandoning party squabbles and party prejudices, and ELECTING YOUR MAN TO THE UNITED STATES SENATE.

It's about time to stop electing bankers and lawyers to the United States Senate.

Why not elect your own man? The man you know, a farmer and a stockman.

A man who knows your needs and is your friend. A doer and a getter.

"BILL" HANLEY.

Isn't it the wise thing to do?

Please think it over and talk it over with your friends and neighbors.

Read his platform.

If you want a seat on the Hanley bandwagon, please write me.
