GREAT INTEREST BEING SHOWN IN THE NEW AKOZ MINERAL

Patterson Drug Co. Arranges for Introduction in Bend of John D. Mackenzie's Discovery

Full arrangements have been made by the Patterson Drug Co. for the introduction in Bend, of Akoz, the remarkable medicinal mineral discovered by John D. Mackenzie, former state harbor commissioner and state labor commissioner of San Francisco.

Such marvels have been performed by the Akoz remedies when used elsewhere for stomach trouble, rheumatism, catarrh, skin diseases, diabetes, Bright's disease, piles, ulcers and other ailments that an exceptional demand will undoubtedly be made on the drug store, beginning today with the opening of the demonstration.

Mr. Mackenzie, the discoverer of the remarkable mineral, has the following to say regarding it:

"My search for gold resulted in the discovery of this mineral, which I believe, is destined to bring far greater happiness to mankind than all the gold that has ever been produced. A prospector came upon a ledge in the California Sierras that showed a trace of gold. Much to his surprise, after handling the ore, he suspected the rock had worked the cure, but he was not convinced until he had also relieved the ailments of his friends.

"In time I learned of the wonders of Akoz and personally had numerous tests of the mineral made. After three years of experimenting I felt certain that Akoz was destined to be a great boon to humanity and so I organized the Natura company of San Francisco, which is now putting the Akoz remedies on the market. It seems that the Indians were also aware of the curative properties of the rock in the early days."

All forms of stomach trouble yield readily to Akoz treatment. Kidney, liver and bladder trouble also prove easy prey to the wonderful medicinal mineral. Neuritis, neuralgia, gout, eczema and ulcers quickly give way to the Akoz remedy.

That Akoz has merit is attested by thousands of letters of praise, written the Natura company of San Francisco, prominent among which are those of Rear Admiral Thomas Phelps, Jr., of Alameda, U. S. N., retired, George

WHAT COLORS? WHAT PAINT?
The two vital painting questions are—what colors and what paint? The wrong color scheme will seriously mar the attractive appearance of your home. The wrong paint will soon fade, crack and peel off, exposing the wood to the weather. You can get a pleasing color treatment and wood protection of unusual durability by using S-W-P (Sherwin-Williams Paint Prepared.) See local agent, N. P. Weider, painter and decorator.—Adv. 261f

Neither would you, if you had ever tried them. A thorough cleansing cathartic for chronic constipation or for an occasional purge. Patterson Drug Co.—Adv.
