PORTLAND WOMAN CONQUORS BAD CASE OF RHEUMATISM WITH AKOZ

MRS. M. BEARD, 320 SECOND STREET OBTAINS QUICK RESULTS FROM REMEDY.

MRS. M. BEARD.

"If anyone wants to know how I suffered from rheumatism and what Akoz did to stop it he can ask anyone living in the same apartment house I do," says Mrs. M. Beard residing at 320 Second Street, Portland, and prominent in Catholic church circles of this city. She says about her case and the relief Akoz the wonderful California medicinal mineral gave her:

"As the result of over six years suffering from muscular and nervous rheumatism my hands and feet became numb and swollen. The pains I endured were awful and were not confined to my hands and feet but all over my body. Many remedies were tried but they did not give me much rest from my misery. I finally took to Akoz. In a few days the pains were all gone. In a couple of weeks the affected limbs began to take life as the circulation began to be re-established. At the end of the month I was practically cured as far as any suffering or signs of rheumatism were concerned. I will follow advice and keep taking the internal treatment for a month more. I used the compound for the pain and drank the mineral water to treat the cause. My entire system seemed benefited.

Any of my friends can vouch for the good Akoz did for me."

Akoz will be found effective for stomach trouble, diabetes, Bright's disease, ulcers, catarrh, piles, skin diseases and other ailments. For sale by Patterson Drug Co., where further information may be had regarding this advertisement.—Adv.
