MARKET REPORT.

NORTH PORTLAND, Nov. 27.—Receipts for the week have been: cattle 1256, calves 31, hogs 7994, sheep 2158. Cattle market continues steady in all lines with light receipts. Steers have not shown quite the quality that was shown the previous week, though some very good steers went at \$7.45. Good quality cows going at \$6.75. A specially good bunch of feeder steers sprung the market and sold at \$6.75. This week was a banner one in point of receipts, 8000 coming forward despite the fact that there was no market Thursday. The market closed today steady to strong at \$7.30. Another light week in the sheep sheds, barely enough good killing sheep coming to supply the demand of killers. Market is strong.
