Cause For Regret.

"Do you find that set of books you bought interesting?"

"Not very," confessed the man who tries to improve himself.

"Do you regret your bargain?"

"A little. I'd feel better about it if the man who comes around to collect were as good an entertainer as the one who sold me the books."—Exchange.

Salt Springs.

In ancient times among inland peoples the possession of a salt spring was regarded as a special gift of the gods. The Chonians in Epirus had one which flowed into a stream where there were no fish, and the legend said Hercules had allowed their forefathers to have salt instead of fish.

DOING THEIR DUTY.

Scores of Bend readers are learning the duty of the kidneys. To filter the blood is the kidneys' duty. When they fail to do this the kidneys are weak. Backache and other kidney ills may follow. Help the kidneys do their work. Use Doan's Kidney Pills—the best kidney remedy. Proof of their worth in the following: Joseph McDermott, Washington street, Oregon City, Oregon, says: "I was almost flat on my back with kidney and bladder trouble. I was so lame and stiff that I could hardly hobble around. It was all I could do to get up in the morning. My kidneys were irregular and the kidney secretions were scanty. I used several boxes of Doan's Kidney Pills and I soon got well." Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McDermott had. NOW you can get the tobacco comfort you are after. Try a pouch of "Right-Cut," the Real Tobacco Chew. It will satisfy you better than any other kind you ever used.

Gives you the comfort, the satisfaction and substance you are after. Pure, rich tobacco—seasoned and sweetened just enough.

Take a very small chew—less than one-quarter the size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is The Real Tobacco Chew. That's why it costs less in the end.

One small chew takes the place of two big chews of the old kind.
