POWELL BUTTE

(Continued from page 2.) districts, at her home Friday afternoon. Quite a number of our people attended the Farmers Institute during the past week at Redmond.

Saturday and Sunday in this section, guests of the Bussnets. Mathew Bros. of Pleasant valley bought two loads of hay from N. P. Alley Sunday.

Mr. and Mrs. Agee and small son were dinner guests at the V. O. Humphrey home Sunday.

Vernon Sears and Miss Orisa Sears came out from Prineville Sunday and were dinner guests at the latter's home. Other guests were Mr. and Mrs. D. A. Yates, Mrs. Vernon Sears, Mrs. Beulah Holland and daughter, Miss Cella Manceau, Rev. Byars and Earl Stevens of Redmond.

A noise of fighting dogs aroused 12 year old Raymond Van Doren from his sleep Friday night and on going out to investigate he found his two young dogs pitted against a coyote. Seizing the first stick he could find, Raymond took a hand in the affair and with well directed blows soon had the coyote breathing his last.

The scuffle awoke the older Van Doren, who calling to his son to know the cause of the fuss received the cool assurance, "that he and the dogs were killing a coyote."

Mr. Van Doren arrived on the scene just in time to assist with the last blow. It is thought that the coyote was undoubtedly rabid. However, on the advice of Dr. Edwards of Prineville, the head was not sent to Portland.

Both dogs were badly bitten and they are being kept confined pending developments.

R. F. Guerin and family of Alfalfa were visitors at the Allen Wolleuxon home Sunday.

Mr. and Mrs. Geo. Haven and family visited at the Walcott home Sunday.

Guy Sears put in about four acres of early spuds Friday and Saturday of last week.

Miss Mildred and Edna Alley and Roy Alley were guests of Raymond Van Doren at dinner Sunday.

A party of sightseers, in company with Frank McCaffery and Mr. Wilson of Redmond, were in this locality Wednesday. They stopped at the A. H. Rhode place and took several pictures of the latter's big horses.

POWELL BUTTE, March 23.—Mrs. D. K. Patterson is on the sick list with an attack of acute bronchitis.

Beryl Landfare is suffering with throat trouble.

Mr. and Mrs. Tom Dempsey left yesterday morning for Grass Valley, where Mr. Dempsey's people live.

Nicholas Appel is making many improvements on his land in the river bed in the way of fencing, making ditches, clearing, etc.

J. P. Bowman has taken about 50 head of cattle from Mr. Brazes to beard and to milk, 11 of them being milk cows.

Geo. Aldrich is plowing and clearing for Miss Bertha Goodsell.

D. A. Patterson took his Holstein dairy cows to Redmond Sunday to be given the tuberculin test, preparatory to selling them to a dairyman from near Portland. Many cows from here are being tested, which will be taken by the same man if they prove free from tuberculosis. It is not thought that any will react.

Mrs. Bert Walcott is spending a day or two with her sister, Mrs. Patterson.

A. D. Morrill has finished seeding about 45 acres to spring rye.
