**MARKET REPORT.**  
**NORTH PORTLAND, April 15.**—The receipts for the week have been: Cattle 1657, calves 31, hogs, 1172, sheep 3340. Notwithstanding comparatively heavy runs of cattle the last few weeks the market has been slightly lower to steady, choice steers are still selling \$7.50 to \$7.75, with other grades at the usual differential. Demand for hogs seems to over run the light supply of only fair grades of offerings. A few very good loads touched the \$7.65 spot Monday. Outlook steady. Shorn sheep are beginning to come to market and although not strictly fat are commanding very good prices. Special spring lambs are lower while other choice lambs are steady at \$8.75 to \$9.25, for full wools. Shearings \$1.25 less. Other sheep steady.

**Cut This Out and Send it to Your Friend Who is Planning an Auto Trip to the San Francisco Fair**

In the two latest issues of The Bulletin an auto road map has been printed showing the routes north and south through the Willamette and Deschutes valleys with the connecting links by way of the McKenzie pass, Government Camp and the Crater lake road.

The above map is an extension of

the one showing only Oregon roads, carrying them down into California as far as San Francisco. In the preparation of the map confusing detail has been omitted but certain points of interest such as Lava Butte, Crater lake, Lassen peak and the ice cave are shown for the benefit of the tourist.

Anticipating a heavy auto travel through Bend this summer nearly all the business men of the town have had this map printed on the back of their letter heads. Dozens of them will go out in the mail every day and will undoubtedly help in bringing travel this way.
