**COLONEL MILLER INTERESTED
IN COMMUNITY ACTIVITIES**

Chautauqua Lecturer a Man Who
Rouses Citizens to Sense of Re-
sponsibility for City Affairs.
With simple diction Col. W. H. Mil-
ler, chautauqua speaker, tenders his
elevating ideas of character and com-
munity development to all his list-
eners. The crispness of his thought
depletion has won him a place in the
hearts of hundreds of chautauqua
boosters who will have an opportu-
nity to hear him in the west this sum-
mer. A man of imposing structure,
carrying a mind of sterling make,
this graphic lecturer puts within the
grasp of every citizen of the city in
which he appears the greatest ideas
of the age.
The citizens, the basic elements in
the community—they are the units in
whom Col. Miller is interested. With
the whirl of a mighty turbine the
mind of the humorist forces out a

stream of community pegs. His hear-
ers are compelled to accept them and
store them away for future use. Swam-
ped by the magnitude of the vision
of life of the speaker, audiences
need months of good, stiff work
in community building before the ef-
fects of the summer deluge are ef-
faced.
When the last word leaves the lips
of Col. Miller his hearers are yet un-
satisfied. They are transported into
a new realm of life by him and are
unwilling to return to the former
drudgery which was theirs. As the
thoughts of the lecturer become more
clear with deliberation they find that
they have learned the way in which
to keep their community in the other
world for all times. This is one of
the greatest achievements of the
speaker. Hundreds of citizens have
awakened to the fact that they are
responsible for the state of affairs
existing in this city. They have set
to work and the old time conditions
have been swept away. Prosperity
now replaces debt, and happiness
trips hand in hand with progression.
Col. Miller showed them the "way and
the light."

**COLONEL W. H. MILLER, Editor and
Lecturer**

This man is well known in the west. He is a community development
worker, just what this and other communities need. He is live and enter-
taining and will speak at the assembly.

I'LL SWAP YER, JUDGE, A BASKET
OF THE BEST HEN FRUIT FOR
SOME OF THAT REAL TOBACCO
CHEW.
YOU'RE A FRIEND OF MINE
OR I'D ASK FOR SOME-
THING TO BOOT.
THE GOOD JUDGE
ACCOMMODATES
THE POULTRYMAN

HERE'S the ready chew! You can
get genuine comfort and tobacco
satisfaction without having to grind all the time!
"Right-Cut" is the Real Tobacco Chew that
tobacco chewers are telling one another about.
Pure, rich, sappy tobacco—seasoned and
sweetened just enough.
The taste comes along steady—and it lasts you
longer than the old kind. If you like real tobacco
by all means buy a pouch.
Take a very small chew—less than one-quarter the
old size. It will be more satisfying than a mouthful
of ordinary tobacco. Just nibble on it until you find
the strength chew that suits you. Tuck it away—
I'll let it rest. See how easily and evenly the real
tobacco taste comes, how it satisfies without grinding, how
much less you have to spit, how few chews you take to
be tobacco satisfied. That's why it is the Real Tobacco
Chew. That's why it costs less in the end.
It is a ready chew, cut fine and short ahead so that you won't have
to grind on it with your teeth. Grinding ordinary caudiced tobacco
makes you spit too much.
The taste of pure, rich tobacco does not need to be covered up with molasses and
flavors. Notice how the safe brings out the rich tobacco taste in "Right-Cut."
One small chew takes the place of two big
chews of the old kind.
