NO. 10.

PARTY COMING WITH GOVERNOR

MANY OFFICIALS WILL TAKE TRIP

Majority of Desert Land Board and all of Fish and Game Commission to be here Friday—Arrangements for Day Now Completed

(Special to The Bulletin.)
SALEM, June 22.—It is now definitely assured that the following State officials will make the Central Oregon trip, leaving here Thursday afternoon and reaching Bend Friday morning:

James Withycombe, Governor; Ben W. Oleott, Secretary of State; Geo. M. Brown, Attorney General; Harvey Wells, Insurance Commissioner; Carle Abrams, Industrial Accident Commissioner; L. N. Fleischer, Fish and Game Commissioner; Frank M. Warren, Fish and Game Commissioner; Marlon Jack, Fish and Game Commissioner; C. F. Stone, Fish and Game Commissioner; G. P. Putnam, Secretary to the Governor.

Through the courtesy of the S. P. & S. Railway, the President's car, No. 99, will be placed at the disposal of the party. W. C. Wilkes, assistant General Freight & Passenger Agent will accompany the officials.

With the exception of Messrs. Oleott, Brown and Abrams the party will go to Klamath Falls Saturday.

Local plans for the entertainment of the visiting state officials are complete. From the time of their arrival in the morning every moment of the day is occupied, the arrangements completed by the Commercial Club deferring to the wishes of the visitors and at the same time giving an opportunity to see some of the country and local development work.

Thus, following the breakfast given by the club, the party will go to the fish hatchery taking in the work at the Shevlin-Hixon dam, and will sit on the way while on their way to the Grange hall they will see the results of local good roads activities.

A breakfast for the visitors will be given at the Pilot Butte and all are invited to attend whether members of the Commercial Club or not. H. H. De Armond will act as toastmaster and J. P. Keyes, as president of the club, will welcome the visitors. Governor Withycombe will respond.

It is expected that all of the party will visit the fish hatchery and that some will then go on up river for a day's fishing, while the others including all members of the Desert Land Board, will leave for the Grange Hall to meet the C. O. I. Co. settlers there at 10:30. Following this meeting the party will run over to Tumalo for lunch and after the speaking is concluded will go over the project, returning to Bend for the Emblem Club dinner in the evening.

Arrangements for automobiles for the day are being made by the automobile committee of the Commercial Club. Plates for the breakfast at the Pilot Butte will be 50 cents each.

EXPENDITURE ON NEW ROAD TO POWELL BUTTE REPORTED

Total Cost of Work Nearly \$2,000—Commercial Club Given Figures—Warrants Will Be Mailed Soon.

Reporting on the work done on the Powell Butte road H. J. Overturf, treasurer of the roads committee, at the Commercial Club luncheon Saturday, stated that the total cost of the labor on the road was \$1913.15. The value of the labor donated was \$437.50 and the money donated by the club amounted to \$605. The balance of \$870.25 was paid by the county. Powder and incidental expenses were paid for by the county.

The road constructed began at the end of the cindered road east of Bend, thence ran north one fourth mile (the next half mile being constructed by P. H. Dence) thence two miles east, thence one mile north, one mile east and one mile north with a half mile stretch to the center of section 20 making the total six and a quarter miles completed.

C. S. Hudson reported that within a short time warrants would be mailed to all who subscribed for the purchase of the acre tracts needed for the flowage above the Shevlin-Hixon dam. The fund having been over-subscribed, about 15 per cent of each subscription will be returned. With the warrant and check there will be sent to each subscriber a statement of the expenditure of the fund.

The next luncheon will be held at the Wright hotel on Saturday, the breakfast to Governor Withycombe being held at the Pilot Butte Friday morning.

The next luncheon will be held at the Wright hotel on Saturday, the breakfast to Governor Withycombe being held at the Pilot Butte Friday morning.

BAND PROGRAM FRIDAY NIGHT.

8. I Want to Linger—Two-step.....
9. Serenade.....Rockwell
10. Show Boy March.....Fillmore

BEND LOSES TO LA PINE

Local Nine Defeated for First Time on Sunday.

The Bend nine met its first defeat of the year in the game played with La Pine at La Pine on Sunday, the score being 3 to 1. As the figures indicate the game was a close one, the superiority of the La Pine pitcher, Clow, bringing victory to his team.

For Bend Davis pitched a good game and was well supported in the field. Except for Sprout, however, none of the Bend players seemed able to connect with Clow's delivery. He hit the ball four times out of five at bat. Davis got two hits, one being a three bagger in the second inning.

The Bend players are enthusiastic in their praise of the treatment given them by Manager Carmichael of the La Pine team.

The next game will be played with Redmond on the Bend street grounds.

AURORA SEEN ON WEDNESDAY.

An unusual display of the aurora borealis was visible in the northern sky on Wednesday night. Lemon colored streamers played over the heavens changing at times to a steady glow and finally ending with a red-tinged glow of the north west sky rarely seen in such displays. This was the first aurora seen here for some time.

FEW WOOL SALES ARE MADE TODAY

GROWERS HOLD FOR BETTER PRICES

J. S. Bogue Gets over 25 Cents for Small Lot—Offers Range From 15 to 22 Cents With Majority Around 18—Redmond Today.

Careful bidding on the part of the buyers and on the part of the sellers a desire to wait for higher prices marked the wool sale held here this morning. Only four of the 20 clips at the warehouse were sold. The highest price paid was 26 1/2 cents per pound. Over 250,000 pounds of wool remain at the warehouse unsold.

Of the five buyers present, Livingstone, representing the American Woolen Company, took the most wool obtaining the Atkinson clip of 3486 pounds at 20 1/2 cents, 11,394 pounds from L. E. Myers at 20 1/2 cents and the Bogue clip of 1001 pounds at 26 1/2 cents. This last was coarse wool and clean, the sheep having been pastured on meadows in the vicinity of La Pine. Burke and Angel took the McIntosh clip of 20,956 lbs. at 19 cents.

The bids which were not accepted ran from 15 cents to 22 1/2, the majority being between 18 and 19 cents. Some of these may be closed before tonight, according to A. M. Pringle, manager of the United Warehouse Co., who had charge of the sale today.

Following the sale here the party of buyers left for Redmond where a sale will take place this afternoon.

LARSON IS NEW BOARD MEMBER

ELECTED DIRECTOR IN DISTRICT 12

Defeats C. M. McKay as School Director—Overturf Re-Elected Clerk Over Farnham and Minor—Unusual Number Cast Votes.

J. Edward Larsen was elected director of school district 12 and H. J. Overturf re-elected clerk at the annual election held on Monday. Unusual interest was shown in the election, 137 votes being cast, as against 32 at the election last year. The polls were kept open until noon.

Running against Mr. Larsen was C. M. McKay, who has just finished a three year term on the board. He received 66 votes to his opponent's 69. Two votes were cast for F. O. Minor for director who was in nomination for clerk. With Mr. Larsen's election the board for the ensuing year will be made up as follows: J. N. Hunter, chairman, R. M. Smith and J. Edward Larsen.

For clerk the candidates were the present clerk, Mr. Overturf, Ross Farnham and F. O. Minor, and the voting resulted as follows: Overturf, 61; Farnham, 50; Minor, 25. One vote was cast for J. E. Larsen as clerk.

The meeting, which was held in the auditorium of the Reid school, was called at 9 o'clock with Chairman McKay of the board presiding. By the time the voting began every seat in the room was taken and a number were standing outside. On motion of J. A. Eastes, amended by V. A.

Forbes, the voting continued until noon, instead of ending as soon as those present had voted.

D. M. Davis acted as Judge of the election and H. E. Allen and C. P. Niwonger as tellers.

Preceding the election Mr. Overturf rendered his annual report. According to it the school census on November 25, 1914, showed 453 persons between the ages of four and 20 living in the district. Fifteen teachers have been employed in the past year.

On the financial side the report showed that there was on hand at the time of the last report \$25,496.14 and that receipts since have brought the total to \$39,202.56. Disbursements in the past year have been \$34,113.32, leaving a cash balance now on hand of \$5,089.17.

The report gives the estimated value of the school houses and grounds belonging to the district as \$55,000 and the value of taxable property in the district as \$1,363,525.

LARA-SMITH WEDDING

Bend Man Married in Philadelphia Early in Month.

The following account of the marriage of E. M. Lara and Miss A. Helena Smith in Philadelphia on June 5 is copied from the Philadelphia Ledger of the following day:

"The Episcopal church of St. Asaph, Bala, was the scene of an interesting wedding last night, when Miss A. Helena Smith, daughter of Mr. and Mrs. Horace Trumbauer, of 5122 Wynnsfield avenue, became the bride of E. Morris Lara, of Bend, Oregon, son of E. Morris Lara, of Staunton, Va. The ceremony was performed by Rev. Harrison B. Wright.

"The bride, who was given in marriage by her step father, was attired in a superb gown of ivory white satin, emerald model, with a court train of chiffon exquisitely embroidered in silver. Her veil of tulle was adorned with a band of silver flet. She carried a white satin prayer book, with sprays of lilies of the valley. Mrs. George A. Heath of Brooklyn, was matron of honor. Miss Jane Heath was flower girl and Master Ewing Close was page.

"The best man was Edw. W. Wolastan. The ushers were H. Alan Dawson, Wm. T. Dickson, Edw. G. Close and Fred S. Kirke.

"A reception followed at the residence of the bride's parents.

Mr. and Mrs. Lara will leave the middle of the month for their home in Bend, Oregon."

BROOKINGS WILL CELEBRATE

Bend Merchants Contribute to Prize List for Fourth.

C. W. Ashbaugh of Brookings, spent two days here last week receiving contributions from local merchants and business houses toward the prize list for the Fourth of July celebration to be held at Brookings this year. The Hampton, Rolyat and Stauffer neighborhoods are to meet for the day at Brookings and an interesting program of games and races has been arranged.

The list of donors is as follows: First National Bank, Mannheim Bros., Deschutes State Bank, Patterson Drug Co., R. M. Smith Clothing Co., The Bend Bulletin, Carmody Bros., W. C. McClintock, S. C. Caldwell, E. A. Sather, C. W. Thornthwaite, Skuse Hardware Co., The Bend Press, A. L. French, Bend Hardware Co., Owl Pharmacy, The Bend Milling Company, Consolidated Truck Line, Geo. Hopkins, driver, H. O. Farris, Glen O. Powers, Guy Furst, Reichel and Shearer Truck Co., J. K. Welmer.

CREW HAS BEGUN ON NEW BRIDGE

TO RUSH SPAN TO THE SHEVLIN MILL

Clearing and Grading Logging Road Also Starts—Rails on Spur Laid to Bond Street—Party of Shevlin Officials Here Last Week.

Beginning with a small crew on Saturday the contractors for the bridge to the Shevlin mill site have now about 40 men at work and are proceeding as rapidly as possible with the expectation of having the bridge open for traffic by August 20. On Tuesday afternoon the workmen had the foundation for seven piers uncovered and the preliminary timber work partly in place. The first concrete was poured today.

At the dam just above the bridge, work is going on under the direction of M. J. Danielson two thirds of the way across the river. On the west side a good start has been made on the timber work while the excavation progresses beyond, the river itself being confined to a narrow channel on the east side. A line from the Bend Water Light & Power Co. has been carried across the river for the concrete mixer and pump.

Sand is being washed at the dam, the excavation from which sand and gravel are being taken being planned for use as the log slip to the mill.

In the woods final location of the logging line has been made and the contractor, T. Ward, now has a crew at work clearing and grading. There will be about 8 miles of track but only a portion will be laid before the bridge is completed. Mr. Ward's brother, M. Ward, is building an unloading dock on the river above the dam.

Work on the railroad spur has now come to the foot of Bond street, rails being laid to that point. In the section toward the river from this point about 800 feet of rock work will have to be done, a contract for which has been let by the bridge contractors.

Shevlin officials who were here last week included W. L. Sorensen and J. A. Nichols, general logging superintendent, T. A. McCann, manager of the Shevlin plant at Libby, Montana, and E. H. Den, general superintendent. H. J. Kiopp of Spokane also accompanied the party. They spent Thursday here considering the final location of the different units of the plant, leaving on Friday by auto for Klamath Falls.

TICKET SALE SLOW.

The sale of season tickets to the Chautauque began on Thursday, two teams under P. C. Garrison and D. M. Davis having charge of the sale. Although many plan to attend on different days of the Chautauque the sale of season tickets is slow and it now seems apparent that the guarantors of the affair will have quite a deficit to make up.

REPORTS ON FARMS.

Reports from the demonstration farms for which seed was provided by the Bend Commercial Club give encouragement to the belief that the experiment will succeed.

GOVERNOR JAMES WITHYCOMBE.

INSURE YOURSELF AGAINST YOUR OWN CARELESSNESS

Even though you might never have a fire or thieves enter your home, a paper mislaid is often times lost just as irretrievably as if it had been burned or stolen.

When your valuable papers are in our vault you KNOW where they are and you KNOW they are safe.

You can lease a steel box in our vault with a non-pickable Yale lock—big enough to contain all your private papers, for \$2 a year Can you afford to be without this insurance?
