ENGINEERS MAKE STUDY

Young on Suttles Lake Project This Week to Seek New Canal Line.

Accompanied by L. D. West and A. J. Welton, formerly assistant engineer of the Tumalo project, George S. Young left yesterday morning for Grandview to spend the rest of the week on engineering work in connection with the Suttles Lake Irrigation project. Mr. Young's plan is to spend the time with his assistants in looking for a lower line for the main canal in the expectation of cutting off a portion of the estimated cost of the project.
 In order to carry on land classification work Mr. Welton will remain on the project for a longer time and on August 1 Percy Cupper, assistant state engineer is expected in to examine the project for the purpose of making a report to the state. Arrangements are being made to proceed with the construction of the project as soon as these preliminary matters are attended to.

JASON MOORE IS GIVEN SECOND EXTENSION ON BOND

Land Board Votes Him 60 Days More in Which to Comply With Preliminary Terms of Lease.

Contrary to expectations the State Land Board has given Jason Moore a second extension of 60 days in which to file a bond for \$25,000 to complete his Summer and Abert lake project. This extension is plainly understood to be the last, the time being up in the middle of September.
 Salem news items report the action of the Board under date of July 21 as follows:
 "The State Land Board yesterday afternoon, acting upon the suggestion of Governor Withycombe, voted to give Jason Moore an extension of 60 days from Monday in which to file a bond of \$25,000 for the carrying out of the terms of his lease of Summer and Abert lakes.
 "Clerk G. G. Brown reported to the board that C. A. Sheppard of Portland, counsel for Moore, had telephoned him and stated that he would like to get an extension of 30 or 60 days.
 "It was agreed by the board that the 60 day extension would be final and the clerk was instructed to notify Moore that the 60 days would also

be a period of notice that \$10,000 on deposit with the state would be forfeited if the \$25,000 bond is not filed."
