PLANNING A MODEL BATH ROOM
is not what many plumbers do, they usually do what work there is to be done, without any thought of the best arrangement. In this we are an exception. If desired we will plan the bath-room throughout, and submit same for your approval before beginning work. We do plumbing work of all kinds, and should be glad to have you call on us when you need any such work done.

Fair Dealing

It stands to reason we could not have been successful in the past five years serving the public unless we had treated our customers fairly and fulfilled every promise to them. We realize that we cannot secure your order unless you have confidence not only in our goods but in our integrity and responsibility to serve you. And remember, we make a specialty of nothing but Groceries, and we make the price too.
