

PRINEVILLE WAKES UP

Get-Together Movement Started and Business Boosters are Organized.

Prineville folks, according to a news report in the Oregonian, are just starting out to get a few things which they have decided the town needs, including better mail service, good roads and irrigation development on the fertile lands adjoining town.

To give a head to the activity they have formed themselves into an organization called the Business Boosters and at a meeting held last week committees were appointed as follows:

On Irrigation Improvement, E. J. Wilson, H. A. Kelly, Thomas Lafollette, A. R. Bowman and George Russell. Good roads committee, D. F. Stewart, W. F. King and J. F. Blanchard. Improved mail service, John B. Bell, G. M. Cornett, and N. G. Wallace.

His Rest Was Broken.

O. D. Wright, Rosemont, Nebraska, writes: "I was bothered with pains in the region of my kidneys. My rest was broken by frequent action of my kidneys. I was advised by my doctor to try Foley's Kidney Pills and one 50 cent bottle made a well man of me." They relieve rheumatism. Patterson Drug Co.—Adv.

THE RANCHER FINDS THE GOOD JUDGE O.K. ON CONCORDUMS

SAYS the man, who's learned
How good rich tobacco
really is:

"Tie your bull on the outside
and come on in where the good tobacco
is. You've been wasting your opportunity
with unnecessary grinding and
spitting; rest your jaws and content
your soul with a little nibble of the
Real Tobacco Chew."

A little chew of pure, rich, mellow tobacco—seasoned
and sweetened just enough—cuts out so much of the
grinding and spitting.

ASK YOUR DEALER FOR W-B CUT
CHEWING TOBACCO. IT IS THE NEW
REAL TOBACCO CHEW—CUT LONG SHRED.

Take less than one-quarter the old size chew. It
will be more satisfying than a mouthful of ordinary
tobacco. Just take a nibble of it until you find the
strength chew that suits you, then see how easily and
evenly the real tobacco taste comes, how it satisfies,
how much less you have to spit, how few chews you take to be tobacco
satisfied. That's why it is *The Real Tobacco Chew*. That's why it costs
less in the end.

The taste of pure, rich tobacco does not need to be covered up. An
excess of licorice and sweetening makes you spit too much.

One small chew takes the place of two big
chews of the old kind.

(Notice how the salt brings
out the rich tobacco taste.)
