**Schools May Bar Children.**  
 Common colds are contagious and boards of health in many cities are considering barring children with colds from school. Foley's Honey and Tar is an old and reliable family medicine and frees children from coughs, colds, croup and whooping cough. Parents may save trouble by giving before school opens. Patterson Drug Co.—Adv.

**GOOD NEWS.**  
 Many Bend readers have heard it and profited thereby. "Good news travels fast," and the bad back sufferers in this vicinity are glad to learn where relief may be found. Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. Thousands upon thousands of people are telling the good news of their experience with this tested remedy. Here is an example worth reading: Mrs. J. S. Kiser, 1111 Eighth street, Hood River, Oregon, says: "Heavy work while on the farm caused me to suffer from kidney trouble. My back seemed to give out and the pain and lameness extended down into my hips. My whole body was lame and sore mornings and the action of my kidneys wasn't right. Doan's Kidney Pills helped me right away and soon my back and kidneys were in good shape." Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Kiser had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

**WHY?**

Did the Bend Water Light & Power Co., when they built their new Power Plant use the best SAND and GRAVEL they could buy?  
**WHY** did the City, when they built the new SEWER SYSTEM, use the best SAND and GRAVEL the market afforded? The answer is obvious. They **KNEW** that the best materials for concrete work pay the largest dividends in the end.  
 As we have been able to satisfy the exacting demands of these customers, we feel that your demands can be as successfully met.  
 We can supply you with the proper sizes of washed sand and screened gravel for your particular purpose. Ask for quotations.

"Concrete Ultimately, Why Not Now?"

**NATURE** sometimes makes perfect things, but "processing" spoils 'em. A good-natured boy may be "processed" into a dern fool by the wrong education—an' tobacco can be spoiled similar.

The Smoothest Smoking Tobacco, **VELVET**, is naturally right. Its two years' ageing simply mellows and refines its natural qualities. The secret of its "no bite" is first, right tobacco; second, right ageing. 10c tins and 5c metal-lined bags.
