compared them to the River City.

POWELL BUTTE, Sept. 19.—Miss Anna Pederson, who has been visiting her sisters, Mrs. L. W. and C. I. Blair, will start for her home in Chicago tomorrow. Mrs. L. W. Blair will take her to Bend and Miss Pederson will leave on the Wednesday morning train, going through Omaha, Nebraska to visit her father and brothers there.

Violet and Roy Bowman started to school this morning. The children at the Butte valley school house is being repaired. Being built on top of the ground, it has never held water satisfactorily. A frame has been built around it and filled in with dirt and the inside given two coats of cement.

Earl Saunders has some extra fine potatoes this year of the Burbank variety, some hills having nearly half a bushel of potatoes in them. C. L. McLeod has some spuds that he is justly proud of, also. They are the "Uncle Sam" variety and compare very favorably with cord wood for size.

Oscar Prickett has eight large stacks of wheat off his ditch forty this year. Levi Ernst is putting up his second crop of hay.

J. E. Warner's sheep have made good this year and he now has about 500 head of fine looking ewes and lambs. He has bought Earl Saunders' alfalfa pasture for the sheep and has not lost any as yet with blight.

Ed Barnard has begun cutting his third crop of alfalfa. C. I. Blair is baling hay at E. F. Archer's. Mr. Archer will have about 40 tons baled.

L. W. Blair took a load of hay to Bend Friday. Dave Travis passed through here Friday on a business trip to Redmond.

The neighbors and friends of Mr. and Mrs. C. I. Blair and Miss Anna Pederson gave them a surprise last Thursday by the ladies going to spend the afternoon and the men folks coming in the evening. All enjoyed an evening of music and singing. Those present were Mr. and Mrs. L. W. Blair, Mr. and Mrs. A. D. Morrill, Mr. and Mrs. H. T. Dealy, Mr. and Mrs. Frank Smith, Mr. and Mrs. D. A. Patterson, Mr. and Mrs. E. F. Archer, Mr. and Mrs. C. F. Blair, Mrs. A. D. Morrill and Miss Anna Pederson were in Redmond on business Friday.

THE GOOD JUDGE GETS ALIVE ON THE RETIRED JUDGE.

MAYBE you're one of these reformed grinders yourself and know how they like to meet and talk about the little chew that satisfies. When you meet a non-member puddling a big wad in his cheek don't you feel like stopping him and giving him the facts about the Real Tobacco Chew?

A little chew of pure, rich, mellow tobacco—seasoned and sweetened just enough—cuts out so much of the grinding and spitting.

ASK YOUR DEALER FOR W-B CUT CHEWING TOBACCO. IT IS THE NEW REAL TOBACCO CHEW—CUT LONG SHRED.

Take less than one-quarter the old size chew. It will be more satisfying than a mouthful of ordinary tobacco. Just take a nibble of it until you find the strength chew that suits you, then see how easily and evenly the real tobacco taste comes, how it satisfies, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is The Real Tobacco Chew. That's why it costs less in the end.

The taste of pure, rich tobacco does not need to be covered up. An excess of licorice and sweetening makes you spit too much. One small chew takes the place of two big chews of the old kind.

Notice how the salt brings out the rich tobacco taste.
