THE GOOD JUDGE IS COMPELLED BY THE CAPTAIN.

JUDGE, I WANT YOU TO KNOW THE CAPTAIN OF OUR FREIGHT, HE'S STRONG FOR THE REAL TOBACCO CHEW

GLAD TO KNOW THAT YOUR JUDGMENT ON TOBACCO IS AS GOOD AS YOUR COURT DECISIONS

YOU see the cops are wise to the little chew that satisfies—with a nibble of the Real Tobacco Chew tucked into their cheeks they are happy on their beats. No bunches to disfigure the face. The little chews mean the pouch lasts a long time and saves coin.

A little chew of pure, rich, mellow tobacco—seasoned and sweetened just enough—cuts out so much of the grinding and spitting.

ASK YOUR DEALER FOR W-B CUT CHEWING TOBACCO. IT IS THE NEW REAL TOBACCO CHEW—CUT LONG SHRED.

Take less than one-quarter the old size chew. It will be more satisfying than a mouthful of ordinary tobacco. Just take a nibble of it until you find the strength chew that suits you, then see how easily and evenly the real tobacco taste comes, how it satisfies, satisfied. That's why it is The Real Tobacco Chew. That's why it costs less in the end.

The taste of pure, rich tobacco does not need to be covered up. An excess of licorice and sweetening makes you spit too much. One small chew takes the place of two big chews of the old kind.

Notice how the salt brings out the rich tobacco taste.
