Was the trial of Jesus legal in all its settings or was there a shadow of illegality in the proceedings? These questions are being asked on every hand and beginning with November 14, 1915, the undersigned will attempt to answer questions along this line at the Sunday evening services at the Pres-byterian church. * These addresses will not be theological but in the ful-lest sense possible, the result of re-search work in the matter as it per-tains to the law that governed such cases in those days. The public in scheral is invited to attend and hear these addresses and general is invited to attend and hear these addresses and, if they so desire, ask questions after the services are over. There will be nine of the ad-dresses beginning with "Hebrow Criminal Law," and following every Sunday evening thereafter 14. C. HARTRANFT.

Diamonds win out over the reads you know

It is a perpetual battle between tires and roadsand victory is hard-carned.

The strength and toughness of the rubber in Diamond Squeegee Tread Tires resints the roughest road wearyawning ruts do not take toll from Diamond Squeegees.

Tried for years—on every road that leads in or out of this city—on all makes of cars -Diamond Squeegees have proven their unfailing superiority, and more than satisfy car owners.

We have almost discontinued making smooth treads, because the small (less than 10%) increase we ask for

Equeecee treads has made Diamond Squeegees so popular that 90% of the Diamond Tires sold to consumers are Squeegee Treads.

Squeegees were put on the market because they proved to be the most satisfactory non-skid tire-tests prove that in addition to this the Squeegee construction (more rubber where the wear is hardest) makes Squeegees the best Long Distance tire at the price.
