## CANDIDATES ARE THICK AT POWELL BUTTE DEDICATION

Community Hall Opened With Dance Attended by Many — Building Erected by Local Organization.

The new community hall at Powell Butte was dedicated Friday night by one of the biggest crowds ever seen at a community gathering in this section. Over 350 people were present, including many of the candidates for nomination for the various county offices at the coming primaries.

It had been the intention of the managers of the affair to give each candidate a chance to say something to the audience in the early part of the evening, but with so many present the plan was given up after only a few had spoken. Chief among these were V. A. Forbes, candidate for Republican nomination for representative, who urged co-operation between the Powell Butte section and Bend in the construction of the road between the two sections to be used by the farmers in marketing their products here.

Besides Mr. Forbes the candidates present were P. B. Poindexter and S. E. Roberts, W. H. Wirtz and H. H. De Armond, C. Carroll, R. D. Ketchum and J. T. Lucky, J. H. Hauser and W. Brown, H. J. Overturf, R. E. Jordan and T. E. J. Duffy.

The new building was erected by the Powell Butte Co-operative Association formed under the act of the 1913 legislature. Its officers are J. F. Rice, president, George C. Truesdale, vice president, Carl Saunders, secretary-treasurer and directors these three with A. H. Rhode and E. L. Guerson.

A most complete list of seed for Spring sowing has been obtained by the Bend Flour Mill Co. Every sack thoroughly cleaned so as to leave nothing but the large plump berry. See our advertisement.—Adv.

Sheep are beginning to move a little more freely, although the receipts were only 300 head. All classes are in great demand and top prices are still being realized.
