TUMALO.

(Special to The Bulletin)
TUMALO, July 3.—Everyone is planning on having a glorious Fourth tomorrow if Old Sol only comes out to stay and dries up a little of the moisture on the picnic grounds.

The Tumalo Cattle Association held a business meeting in the hall Saturday night. Wm. Sandel was elected president to fill the vacancy caused by the resignation of G. W. Horner. Vice president Phil Smith presided.

J. W. Brown and John Marsh went to Redmond Saturday to purchase a load of hogs. Young porkers are scarce in this immediate vicinity as most of the farmers sold their stock hogs when feed began to get high on account of the European war.

The steam shovel formerly used on the project and recently purchased by Col. Newport went through the county bridge here last Saturday when it was being moved to Deschutes to ship out to Umatilla.

Mr. and Mrs. John Marsh and children and Mrs. Piske spent Thursday in Redmond.

W. D. Barnes made a trip to Bend and thence to Prineville last week.

The crops look fine now as a result of the rains of the past few weeks. If the weather warms up now the indications are that the Tumalo farmers will have bumper crops.

RICH, PURE, WHOLESOME "SPEAR HEAD"

The Famous Chew with the Delicious, Fruity Flavor That Lasts

MADE BY MODERN PROCESSES

You want to get all the enjoyment and benefit possible out of tobacco. Then chew *plug* tobacco.

You want your chew to have the wholesome, appetizing richness of ripe fruit. Then chew *Spear Head*.

You want a plug with a deliciously sweet and mellow flavor that lasts as long as the chew lasts. Then chew *Spear Head*.

One chew of *Spear Head* will convince any man that there's no other tobacco on earth with such a rich and lasting flavor. That's because all the natural juices of the choicest Burley leaf are retained in *Spear Head*.

The making of *Spear Head* is conducted strictly according to pure-food methods in a great modern factory that is epic-and-span throughout.

The most expensive, modern processes keep *Spear Head* fresh, sweet and pure at every stage.

The luscious plug of *Spear Head*, from which you bite the tastiest, wholesomest of chews, represents the highest form of plug tobacco production.

Try *Spear Head*—the very best chew that money can buy. In 10c cuts, wrapped in wax paper.

COTTAGE CHEESE.
