Washable Painted Walls You have often wanted a finish for your walls and ceilings that would have the durability of an oil paint, yet with a surface of soft, restful, velvet like appearance. A finish that was sanitary. That you could wash without injury. ACME QUALITY. NO-LUSTRE FINISH Is the ideal finish. It is sanitary. It can be dusted, wiped with a damp cloth, or even washed with mild soap and water without injuring the finish. And it's inexpensive and easily applied—brushed on like ordinary paint.
