Cook in a cool Kitchen

All the heat is concentrated where it is needed—keeps you cool and makes for better cooking

NEW PERFECTION OIL COOK-STOVE

Why not cook with a modern oil stove this summer and be comfortable? Bakes, broils, roasts, toasts. More efficient than your wood or coal stove, and costs less to operate.

Better cooking because the long blue chimneys give steadier, more evenly distributed heat, under perfect control—like gas. No smoke or smell. In 1, 2, 3 and 4-burner sizes, ovens separate. Also cabinet models with Fireless Cooking Ovens.
