To Hold Eugenic Tests.
On or about October 30, Mrs. Bailey, representing the Mothers' Congress of Portland, will spend the day in Madras, making eugenic tests of the babies of Jefferson county.—Madras Pioneer.

Opal City Grange Grows.
Opal City Grange held its regular meeting Saturday evening. There was not a large number in attendance, but there was a very interesting meeting. Applications of ten candidates for initiation were presented, making a class of 17 which will take the first and second degrees at the next meeting, which will be held on October 28.—Deschutes Valley Tribune.

Mulligan a Big Success.
The meeting of Mulligan Lodge No. 1 at Metolus last Friday night was a crowning success. Many new certificates of membership were issued, there being about 350 people present. Until midnight the evening was spent in dancing, and at that time the boilers of the mysterious Mulligan and steaming coffee were brought forth and served to the anxious brothers and sisters.—Jefferson County Record.

Ft. Rock Club Organized.
Ft. Rock now boasts of a Commercial Club which was organized there last week. J. Wm. A. Busch was elected president; J. D. C. Thomas, vice-president; H. F. Swingle, secretary, and Douglas Johnson, treasurer. The organization will be known as the Northern Lake County Commercial Club.—La Pine Inter-Mountain.

Farmers to Hear Talks.
A one-day short course for the benefit of the farmers and stock raisers of this district will be held in Paisley October 26, one week from today. Two noted lecturers from Oregon Agricultural College will conduct the meetings throughout the day. Prof. Sitts of the dairying and livestock department, will conduct all lectures, talks and discussions, upon matters pertaining to his particular branches. Prof. Larson, whose specialties are irrigation, drainage and crops, will conduct similar meetings upon these topics, giving lectures and allowing for free discussion of everything brought out.—Chewaucan Press.

Forest Exhibit Good.
The forest exhibit at the Paisley fair merited more than simply a passing notice. Special pains had been taken in the arrangement of this display, and those in charge were most courteous in giving explanations regarding any point upon which information was sought.—Silver Lake Leader.

Big Wheat Deal Made.
The highest price of which we have record for wheat purchases in this part of the state was paid by B. H. McMickle, of Redmond, on Tuesday for a pool of 5,000 bushels of Marquis wheat, which brought \$1.40 per bushel.—Crook County Journal.

To Vote on Irrigation Bonds.
An election, which will be held on November 11 at Lower McKay school house, will determine whether or not the Ochoco Irrigation district shall be bonded in the sum of \$1,100,000. This was decided upon at the meeting of the board of directors, held Monday. The above amount will be on a total of about 25,000 acres of land and will be practically \$47 per acre for that amount.—Crook County Journal.

Another Mill Starts.
The miniature Shevlin-Hixon sawmill, north of Fremont, has completed its new enlargement, which doubles the capacity of the plant, and furnishes employment for about 1,500 (?) men. The management reports orders ahead for six months' full capacity run.—Fort Rock Times.

No waiting at the Metropolitan for that shave or hair cut. Four chairs now ready.—Adv.

BALDWIN FOR SENATOR
(Recent News)
Pitted against V. Lair Thompson, the betrayer of Central Oregon, in the fight for the State Senatorship of this district, is Hon. George T. Baldwin, one of Klamath county's ablest and most respected citizens. While Judge Baldwin is the Demo-

cratic nominee for this important position, the News believes that Republicans should forget their party affiliations in this instance and cast a unanimous vote for Judge Baldwin for State Senator.—Adv.

BANDS ON DUCKS
If you kill or capture a wild duck bearing an aluminum band around one leg, having a number on one side, and on the other a statement requesting that the United States Department of Agriculture, or the Biological Survey be notified, you are requested to send this band at once to the Bureau of Biological Survey, Department of Agriculture, Washington, D. C.

This band, if accompanied by a statement as to date, place and circumstances under which the bird was taken, will be of service to the survey in its efforts to determine the longevity of individual ducks and the routes of migration of the species. The bands are being attached to

THE GOOD JUDGE FINDS MEN SWITCHING FROM ORDINARY TOBACCO.

WELL, I SEE YOU ARE GOOD. YEP, WITH OTHER KINDS I HAD TO GOAL UP TO THE LIMIT, NOW HALF THE AMOUNT SATISFIES. THAT'S RIGHT—IT'S RICH TOBACCO, SEASONED WITH SALT, AND A LITTLE CHEW DOES SATISFY.

WHEN a gentleman gets acquainted through and through with W-B CUT Chewing, he finds that the common sense of it helps him across a feature of ordinary tobacco he never did like. The shreds of tobacco give up the tobacco satisfaction without so much grinding and spitting—the salt helps bring out the good tobacco taste—and because it's rich tobacco, a small chew lasts and satisfies.

considerable numbers of wild duck of several species which have been cured of the duck sickness prevalent around Great Salt Lake, Utah, and there released. The department is particularly anxious to secure reports from these birds to determine their complete recovery from this malady which has killed hundreds of thousands of ducks in Utah.

LOSE PURSE, BUT GET IT BACK
A handbag containing approximately \$300 in cash was left in the Bend Postoffice recently by Mr. and Mrs. J. G. Preble, who came to Bend from Astoria. They were at the office in the evening and left the handbag in the lobby. S. R. Hoxin found it there and through him it was returned to Mr. and Mrs. Preble by Chief of Police L. A. W. Nixon.

SAFETY BULLETIN ISSUED
A safety bulletin on the subject of portable wood saw accidents has been issued by the Oregon Federation for Industrial Safety. Copies may be obtained from the Extension Division of the University of Oregon, Eugene, Oregon.

TO SEE ALKALI LAKE DEPOSITS
H. L. Emerson, of San Francisco, and F. L. Young, of Paisley, accompanied by W. D. Cheney and J. C. Rhodes, of the Bend Park Company, left Monday for a several days' tour in Lake county. On their trip they will visit the Alkali Lake deposit of the American Soda Products Company.

HE LOST HIS FRECKLES.

James Whitcomb Riley's Tale of How the Trick Was Turned.
As a youth James Whitcomb Riley was burdened with freckles. Always sensitive regarding anything reflecting upon him personally, he grieved over what he considered an insurmountable misfortune. He told of his effort at emancipation:
"One day I saw in a drug store window what was said to be a sure cure for moth, tan, freckles, etc. I pondered possession of a bottle, but—50 cents! Of course I could never buy it. Why, I didn't get 50 pennies in a whole year."
But he managed to finance himself by manipulation of the market money when doing errands for his parents and he bought a bottle of the magic stuff. He ran with it to the haymow and rubbed it all over his face, then raced off to school to make up the time he had lost.
"When I stepped inside the door all the school started to laugh at me," he says. "The teacher asked me what I meant by coming to school in such a condition. Bewildered and ignorant of what it all meant, I followed her out the door. She showed me my face in a mirror, and it was like a yellow Easter egg. The directions had said to rub it off immediately with salt water and white of an egg, all of which I had missed. To get the stain off, my face had to be rubbed until the skin left it. But when it was all over the freckles were actually gone and never came back."
