# Light Your Home for Less Than You are Now Paying

The P-70 American Gas Lamp will do it. The light is more restful to read by. It gives a 400 candle power, white light.

The American is safe—an accident such as you read about the kerosene lamps is impossible. Lay it on its side, turn it upside down—still it burns brightly—no chance of an explosion. Shade it securely—always in place. Children may play safely around the American. It is smokeless, odorless, wickless, flickerless.
