SISTERS

(Special to The Bulletin)

SISTERS, Dec. 25.—Not in recent years have the people of Sisters been favored with a more interesting Christmas program than that rendered at the Presbyterian church Sunday evening. The program was made up of appropriate songs, musical selections, recitations by the little ones, a tree, a Santa Claus and an abundance of candy, nuts and other presents. Among the most popular features of the entertainment were the songs by the Brady brothers and the musical selections by Kopang's orchestra. The affair reflects great credit upon the committee appointed by the Sunday school and composed of Mrs. John Taylor, Miss Muriel Edmondson, Miss Alda Taylor and Miss Inez McKinney. To them belongs the credit of getting out all the latent local talent as well as discovering and bringing forward some musical ability from among our visitors. The following was the program, given before a full house:

Singing by the audience, led by the choir; prayer and opening remarks by the pastor; recitation, "Christmas Time," by Vine Steidham; music by choir, recitation, Arnold Brady; duet, Dorothy Taylor and Johnnie Taylor; recitation, Nellie Zumwalt; violin solo by Nelsa Kopang accompanied by Mrs. Ed. Spedo; recitation, Lois Capron; "A Letter from Santa Claus," by Dorothy Taylor; duet, Brady brothers; "A Letter to Santa Claus," by Elmer Graham; vocal solo by Muriel Edmondson; musical selection by Kopang's orchestra; recitation, Thelma Zumwalt; duet, Muriel Edmondson and Alda Taylor; recitation, by Welma Armstrong; violin duet, Nelsa Kopang and Dave Miller; song, Vine Steidham, Thelma Zumwalt, Johnnie Wilson and Dorothy Taylor; song, "When the Frost is on the Pumpkins," by Brady brothers.

Needed a Sea Turn.

Captain Lane had retired from active pursuit of his beloved calling and had turned his attention to town affairs. Having succeeded in rousing the citizens to the need of a drinking fountain and also to the need of two coats of paint on the town hall, Captain Lane felt himself a valued and important person.

One day he was asked by a sojourner in the town to give his opinion of the present administration.

"It's pretty fair," said the captain slowly. "Of course there's things that could be different and would be better so, but on the whole 'tis pretty fair. But now I'll tell ye—I'm speaking from experience, you understand—things at the seat o' government wou'd be run as they could be run till the people o' this country make up their minds to stop confining their votes to landlubbers!"—Youth's Companion.
