WE WANT YOU TO FEEL THAT IT IS YOUR PRIVILEGE AS A PATRON TO CALL ON US AT ANY TIME.

We are always glad to send you a man to make repairs. To send a tube, a blow-out patch or a new shoe, if you happen to need us on the road. Of course, there are limits to the distance we can go, but we feel sure that you would not make any unreasonable request—so, if anything of the sort happens, telephone us. And remember, if you want tires and tire sundries and do not specify them by brand, we will send you United States Tires and United States Tire Sundries, because we believe them to be the best on the market. And two tires that we always feature are the United States "Chain" and "Uscu."
