## Don't subscribe to popular fallacies FACE THE FACTS

Meat contains 60 per cent water.  
 Potatoes, 75 per cent water.  
 Milk 80 to 90 per cent water.  
 Flour, 13½ per cent water.  
 A pound of meat costs 20 and 25 cents.  
 A pound of flour costs four cents. And yet there is more energy in a pound of flour than in a pound of beef.

**REAL ECONOMY MEANS THE USE OF MORE FLOUR**  
 WHEAT FLOUR—Cheapest and best food. U. S. test proves it. Deschutes Spray and True Blue Flours make the finest tasting bread on the market, because they are made from the highest grade wheat obtainable.

**FARMERS:** Inquire about our re-cleaned seed before you do your Spring seeding.
