Roy Fouts came in last Tuesday from the Willamette Valley.

The weather the past week has been cold and cloudy.

Mrs. Gus McLouth, of Stauffer, passed through here yesterday on her way to Bend to have some dental work done.

forestry conditions in Deschutes, Lake and Crook counties, Charles H. Flory, of the district forestry office in Portland, in charge of the department of operation, was in Bend today conferring with Supervisor Hastings, of the Deschutes National forest.

Mr. Flory is making tentative arrangements for co-operative work with the game authorities during the present season, but his chief interest in coming to Central Oregon is in regard to the fire protection work.

In this he declared that he was fully satisfied with what has been done in Deschutes county, declaring that

much credit should be given to J. H. Haner, of the Deschutes County Fire association, and to Mr. Hastings, for the protection and lookout system in this part of Central Oregon.

THE SENATOR DECLARES HIMSELF.  
I LIKE W-B CUT TOBACCO, AND I INTEND USING IT JUST AS LONG AS I WANT TO, REGARDLESS OF WHAT ANY ONE SAYS OR DOES.  
I ADMIRE HIS SPIRIT OF INDEPENDENCE.  
ACCORDING TO THE PRINCIPLES OF AMERICAN GOVERNMENT, HE HAS THE RIGHT.

WHAT makes tobacco good is the sap there is in the leaf to start with and the way it's cured—some tobacco is sappier than others. If you take a big chew of W-B CUT, you may find it too rich for you. Take a little chew—it's made of fine, sappy, leaf; there's a lot of tobacco satisfaction stored away in it. The touch of salt brings it out, without so much chewing; and a little chew lasts and satisfies.
