

# BIG CONTRACTS MADE IN WOOL

### MAY CANCEL DATE FOR BEND SALE.

500,000 Pounds Already Disposed of and Remainder Is Eagerly Sought—90,000 Head of Sheep to Move Soon.

(From Thursday's Daily.) Half a million pounds of wool of the entire Central Oregon output which will be shipped through Bend, are already contracted, and prospects for the annual wool sale, scheduled for this city on June 25, are rapidly diminishing, according to J. T. Hardy, freight and passenger agent for the Oregon Trunk railway. In addition to the 500,000 pounds already sold, there is still approximately 200,000 pounds yet to be contracted, and representatives of wholesale wool handlers are anxiously seeking to tie up this remainder. Prices are running the highest in the history of the industry in this section. Mr. Hardy states.

Baled fleeces which will come to Bend from as far as 175 miles, have already begun to arrive here, and the first carload, from the W. K. McCormack clip, will leave tomorrow or Saturday for the Columbia Basin Wool Warehouse company's storage sheds in Portland.

90,000 Head to Go. After carefully viewing the stock situation throughout this part of the state, Mr. Hardy estimates that within the next 10 days, the outward movement of sheep for the markets will begin and will not end until between 85,000 and 90,000 head of sheep have been sent out from Bend. Arrangements have been made by which the customary dust nuisance resulting from driving sheep through the city may be eliminated, and shippers this year will make a two mile detour so as to cross the river at a point about five miles southwest of the city, bringing their stock to the yards with a minimum of driving in Bend.

Every facility will be offered in handling the huge volume of stock trade, Mr. Hardy says, for the car situation has improved so wonderfully in the last few weeks, that the livestock and wool shipments will be handled without difficulty, in addition to the ordinary outgoing business.

### TWO CEREMONIES PERFORMED

(From Thursday's Daily.) Lee A. Houghtaling and Emily Wood and Brada A. Wood and Edith M. Robbins were married this week by Rev. H. C. Hartranft at the Presbyterian parsonage. Both couples will live in Bend.

# STRAHORN LINE IS IMPORTANT

### SO KLAMATH PAPER SAYS—IS NEEDED TO PROVIDE EXTRA CONNECTION WITH PRISCO—EARLY COMPLETION URGED.

(From Monday's Daily.) (Klamath Falls Record.) "The fact that the completion of the Strahorn railroad system would give Portland and San Francisco a north and south line remote from the coast and with the minimum of grades and tunnels is attracting universal attention to its military importance at this time. Three quarters of the world are now in the throes of war. While it is not probable that the Pacific coast will be subjected to foreign invasion, stranger things have happened since this war commenced. A few sticks of dynamite in some of the many tunnels on the Southern Pacific line south of Portland would cut off that metropolis from the south. While the completion of the line from Bend to Klamath Falls and to Flannigan or Susanville would give a north and south line east of the mountains from Los Angeles to Portland. Hard to reach by an invading force and not easy to put out of commission because of the low grades and few tunnels.

"Besides, there would be a large increase in the grain production in all the interior Oregon territory, which is needed at this time.

"The early completion of the line is a patriotic duty that should not be sidetracked by anyone in Oregon for other patriotic duties no matter how urgent or important. Especially is this true of Klamath Falls that is sponsor for the launching of this great project. Now that we are in war and conditions are as they are this railroad is an industrial necessity, as well as a military necessity, and it is incumbent upon Klamath Falls to impress this upon the entire Pacific coast, and especially on Oregon and the city of Portland that has so much to gain by joining in with Klamath Falls in the construction of this road."

### VOGEL-ROONEY.

(From Monday's Daily.) Harry Edward Vogel, of Wasco county, and Gertrude Rooney, of Bend, were married at the home of the bride in Kenwood on Sunday afternoon. Rev. H. C. Hartranft performed the ceremony. Mr. and Mrs. Vogel will take up their residence in their new home soon.

### FUND APPORTIONED

(From Monday's Daily.) The proceeds of the one-twentieth of a mill tax levied by the state for the support of fairs has just been apportioned by Secretary of State Oleott, the amount coming to Deschutes county being \$33.25, according to Portland papers. Crook's share is \$528.55.

## Could anyone fool you on a Rose —with your eyes blindfolded?

Of course not—

# "Your Nose Knows"

By its fragrance alone does the rose makes its universal appeal. Nor can anyone fool you on tobacco either if you rely on your unerring, personal sense of pure fragrance. Tobacco without a definite pure fragrance is like a rose without perfume—"Your Nose Knows."

But

The Perfect Tobacco for Pipe and Cigarette

is the rose of tobaccos. Its rich, ripe Burley leaves, grown in the "Blue Grass" region of Old Kentucky, are so carefully aged and blended that its pure fragrance is as individual, as appealing as the rose—"Your Nose Knows."

Try this Test: Rub a little Tuxedo briskly in the palm of your hand to bring out its full aroma. Then smell it deep—its delicious, pure fragrance will convince you. Try this test with any other tobacco and we will let Tuxedo stand or fall on your judgment—"Your Nose Knows"
