"The Five Tires"

Take No Chances in Tire Buying

There is risk in a chance—but not when you buy a tire of known quality—of known endurance.

United States Tires—all five of them, 'Royal Cord,' 'Nobby,' 'Chain,' 'Ucco,' 'Plain,'—are tires of known, demonstrated and proved service and endurance.

—the make of tires that costs less per mile today than any other make of tire—now or ever.

Proof—the consistent and persistent year-by-year, month-by-month sales increases of United States Tires.

Your experience, too, will prove their quality.
